Go directly to Create Your Online Profile.

What is the difference between these options?

The image shows a screenshot of a website's user interface. At the top, there are two links: "View Mobile Site" and "Return to our Home Page". Below these links is a "Log In" section with a red header and a "help" icon. It contains two input fields: "Email Address:" and "Password:". Below the fields is a "Log In" button and a link that says "Forgot your Email Address or Password?". Below the login section is a "Create Your Online Profile" section with a red header and a "Create Profile" button.

In order to Log In you have to have established a profile. Not all Online Givers have established profiles. You may have logged in to pay for events but not for online giving. Thus, you need to determine if you are set up yet.

Unsure if you have a profile? Try the following:

- 1) Try logging in using the email we have at the Parish.
- 2) Try selecting Forgot your Email Address or Password and reset the password. This will tell you if the email address you are using has been registered.
- 3) If you cannot login following these steps, select Create Your Online Profile.
