Code of Conduct:

The following Code of Conduct applies to all CTKRHS students and is rooted in the school's philosophy and mission. Students of CKRHS are expected to observe the following code of conduct on all school trips.

- *Students will respect all property.*
- *Students will behave, listen and speak in a respectful and responsible way.*
- *Students will respect all school assigned chaperones.*
- *Students will treat each other, and their environment with respect, aware of the needs of others.*
- *Students may not be in possession of any weapon or harmful object.*
- *Students may not be involved in any illegal substance activity.*

I understand that any student violating the code of conduct for this trip will face disciplinary action determined by the school. If a violation occurs on any overnight trip, the student may be sent home at the expense of the family.

I grant Christ the King Regional High School permission for treatment of illness or injury, without my presence, by a physician or hospital if the need arises. I understand that the school will attempt to contact me in this situation.

Please indicate any medical condition or medication that is required so that the trip moderator will be aware of the student's situation.
