Esperanza High School – Medical Sciences Academy

I, _____, will adhere to the following expectations within the Medical Sciences Academy, in *addition* to all schoolwide and classroom rules and regulations.

Initials

_____ I will maintain a weighted, cumulative GPA of 2.5 (except Medical Assisting Clinical & Administrative students, who must have a 3.0) or higher for both semesters in all my classes. I understand that I will be placed on probation. If my GPA does not increase, or I have already been placed on probation previously, I must attend an intervention meeting with MSA Advisors where my continuation in the program will be determined.

_____ I will maintain regular attendance. If I have more than 6 absences – excused or unexcused – within a semester, I must attend an intervention meeting with MSA Advisors where my continuation in the program will be determined.

_____ I will meet all deadlines regarding assignments. If I am absent, I understand I will have 2 school days to make-up any missed work and/or tests. If I don't adhere to these deadlines, my continuation in the MSA may be jeopardized.

_____ I will maintain punctual attendance daily. If I have more than 3 tardies within a semester, I must attend an intervention meeting with MSA Advisors where my continuation in the program will be determined.

_____ I will maintain Academic Honesty, create original work, and avoid any and all plagiarism and/or cheating. If I have an incident of Academic Dishonesty, it will result in a zero on the assignment and a referral to the counselor. If I commit a second offense, it could result in my removal from the program. You will *also* be subject to any consequences per EHS and the student handbook.

_____ I will maintain professionalism in all classes, labs and/or externships with my peers as well as my superiors. Professionalism includes using appropriate language, respectfulness, integrity, positive attitude, proper attire, and acceptable use of electronic devices and social media. If I break any of these standards, I must attend an intervention meeting with MSA Advisors where my continuation in the program will be determined.

_____ I understand that if I am suspended from Esperanza High School, I may be removed from the Medical Sciences Academy.

I understand the expectations of the Medical Sciences Academy and know that violation of any one or more of the above expectations will result in appropriate consequences and could result in my removal from the program.
