

Adopt-A-Classroom

Boonville Elementary School

2018-2019

The staff at Boonville School works hard to give students an outstanding education. We want nothing but the best for them, their families, and our community. Unfortunately, our already low state and federal funding has been cut even more. We have no budget for teacher materials - laminating film, file folders, student planners, and take home folders - just to name a few things. This year, we will struggle to provide the basic needs of our school.

Did You Know?

- North Carolina teachers spend an average of \$600 of their own money on classroom supplies & student needs over the course of a school year.
- At the end of the 2017 school year, North Carolina ranked 43rd in per pupil spending across the US.

How You Can Help

The Boonville School PTO has started an Adopt-A-Classroom program to help out our teachers and school. This program allows an individual, business, or organization to sponsor a classroom. You can't put a price tag on education, but by becoming a sponsor, you are helping ensure all students at BES have the supplies and resources they need to learn and grow.

A \$100 donation will fully fund a classroom, but a donation of any amount will help! We welcome families and individuals to join together in order to make the full donation.

You can't spell BEST without BES! Please see the Adopt-A-Classroom form (on back) for more information on how you can help our school be the BEST it can be!

Adopt-A-Classroom Sponsor Form

\$100 is needed to fully fund a classroom; HOWEVER, every dollar counts! We appreciate all contributions. 100% of your donation will go toward purchasing classroom needs.

All donors will be recognized on our school website and on our sponsor contribution wall. Sponsors contributing the full funding amount of \$100 or greater will also be recognized on our school sign - a great opportunity for business and organizations.
