Athlos Academy of Jefferson Parish
March 11, 2019

LEAP ASSESSMENT IS ALMOST HERE—ARE YOU READY?

Dear AAJP parents,

We hope you had a great break. We are looking forward to seeing our Athlos scholars tomorrow as we gear up for LEAP 2025 assessments. Students in 5th – 6th grades will take the LEAP 2025 assessments starting on April 8th. Students in 3rd – 4th grades will take the LEAP 2025 assessments starting on April 29th.

How can parents help?

- Make sure your child gets plenty of sleep the night before the test.
- Plan ahead to avoid problems before the test so he/she does not go to bed upset.
- Encourage your children to have a positive attitude and a growth mindset. Doing so will help them overcome their fears and boost their confidence.

As the testing dates approach, we will provide more tips in the newsletter.

We look forward to seeing everyone at the last Super Saturday on March 23, 2019 at 9:00 a.m., where we will provide further information on the upcoming testing.

Thank you!

The mission of Athlos Academy of Jefferson Parish is to provide high-quality educational opportunities for the whole child built on the three foundational pillars of Prepared Mind, Healthy Body, and Performance Character.

ANNOUNCEMENTS & EVENTS

GOVERNING BOARD SEEKING ADDITIONAL MEMBERS

The school board has expressed a desire to expand the board and has had discussions, as well as feedback from the community, that an applicant from the school community would be valuable.

The membership is a two year term and a resume must be emailed to the board secretary, Kathleen Robert, at krobert@athlosjp.org.

The candidate must be willing to devote up to eight hours per month to board activities (board/committee meetings) and meeting preparation.

It has been informally expressed by board members that the applicant should have guardianship/parental rights over a current student for the length of the term. Please note that this is not an official requirement for board appointment, but may become so if future board action is taken to make such a provision a requirement.

It is the goal of the board to have the new member installed by April 2019.

NUTRITION ADVISORY COMMITTEE | DEADLINE MARCH 14TH

We are seeking five to six parents to participate in our upcoming food service audit. Interested parents must incorporate creativity and initiative to give their input on the current meals options and how we can improve the program.

If you would like to be a part of this committee, please contact Mrs. Robinson, external relations liaison, at mrobinson@athlosjp.org.
