HEALTHY AND SAFE SCHOOLS PLAN

Introduction

In 2017, the Oregon State Legislature passed SB 1062, which requires that every school district, education service district and public charter school develop a Healthy and Safe Schools Plan (HASS Plan). Each organization’s HASS Plan has specific requirements that must be included for the HASS Plan to comply with state law. Arco Iris will certify annually that the organization continues to comply with the requirements of the HASS Plan by filing an Annual Statement with the Oregon Department of Education.
