Dear Camp Wanaqua Families and Friends,

Hello, my name is Jessica Suppa and I am extremely honored to introduce myself as the Director of Camp Wanaqua 2019. This is my first year working at NYISE as an Adapted Physical Education Teacher and I absolutely love it! Prior to working at the Institute, I was employed at Overbrook School for The Blind for two years in their APE department and have continued to work for Camp Abilities; an educational sports camp for children who are blind and visually impaired since 2013. I obtained my dual bachelor's degree from Adelphi University and continued on for my Masters in Adapted Physical Education at SUNY Brockport.

I look forward to making the summer at Camp Wanaqua an unforgettable experience for all of our campers, staff members, and families. Summer camp provides an opportunity for children to learn and grow through meaningful, fun, and safe experiences. Whether you are a new camper or a returning camper, I look forward to making the summer of 2019 the best summer yet! Should you have any questions, do not hesitate to contact me at (718) 519-7000 EXT. 341 or jsuppa@nyise.org. Camp Wanaqua 2019 is right around the corner, I can't wait!

Yours truly,

A handwritten signature in black ink that reads "Jessica L. Suppa".
