This "Student Handbook" is designed to provide information and advice not only for students new to school, but to remind students returning, of their rights and responsibilities. Some may feel that they know what it says, but it is worth reading. **It is our expectation that students will read the handbook in order to be aware of what is expected of them and share its content with parent/guardian.** Through this handbook we wish to foster a high degree of understanding between students, faculty, and parent/guardians.

.....

Welcome to the Start of the School Year!

WORK HARD TO PLAY HARD!

We hope this year will be both rewarding and enjoyable. You will find that we are dedicated to helping you achieve and experience success at Frontier Middle School. We believe that it is the responsibility of all staff, parent/guardian, as well as students, to establish a positive academic and social climate. Through promoting constructive citizenship and mutual respect, and in exercising self-discipline, we believe each student is capable of working to his/her potential.

School Song

Hail to our Warriors
Lift our voice in a cheer For our great alma mater Brave, strong and true Rah Rah Rah
Hail to our Warriors
They will strive ever onward For our fame and tradition At Frontier Middle School

Accidents

All student accidents need to be reported to the Health Aide whether at school or on the way to or from school. Accident forms are available in the Health Room. They must be completed by the staff member in charge at the scene, or in the area of the accident. It is the responsibility of the student to report the accident immediately.

Assemblies

Assemblies are scheduled throughout the year and students are expected to use appropriate behavior at all assemblies. Attendance at assemblies is considered a privilege; students misbehaving at assemblies may have these privileges taken away.

Associated Student Body

ASB membership allows students to participate in school-sponsored sports, activities and organizations. The ASB fee is \$25.00 (replacement card \$5.00) and is nonrefundable and not transferable. In the event of a hardship in payment, the student's parent/guardian may petition the principal in writing for a reduction or waiver of this fee.

Athletics

In order to participate in the athletic program, students must meet the athletic eligibility requirements. All students must have a 2.0 GPA and must be passing six out of seven classes. All students must have passed six of seven classes the previous grading period. Grade checks will occur to assure that requirements are being met.

***** Students who have fines from the previous school year will not be eligible until the fees or fines are resolved.**

In order to be eligible for after school sports each student must abide by Washington Interscholastic Activities Association (WIAA) and Moses Lake School District policies pertaining to athletic eligibility, pay an ASB fee and have:

1. Current physical exam form signed by a doctor or P.A.
2. Sign up on Familyid.com
3. School insurance or an insurance waiver signed by parent/guardian indicating private insurance coverage for athletic participation.
4. Emergency medical authorization form on file in the office.

Scholastic and Intramural Program

We have the following sports for our 7th and 8th grade Warriors: football, basketball, wrestling, softball, volleyball, cross country, soccer, track, and tennis. (6th grade may participate in cross country and tennis)

Activities, Clubs, and Afterschool Programs

Annual Staff, Band, Builders' Club, Cheer, Choir, Science Olympiad, Spirit Club, AVID, ASB, and WEB Crew.

Attendance

If a student is to be absent from school, their parent/guardian should call the school attendance line, (766-2662 ext. 2241) as early as possible on the day of the absence. The attendance line is a voicemail system that is available 24 hrs a day. The parent/guardian who did not call in an absence will be notified of the student's absence in the evening via automated recording. Upon returning to school, students whose parent/guardian **did not** call in their absence are to bring a written excuse signed by a parent/guardian stating the reason for the absence. If a parent/guardian fails to provide a note or phone call of explanation, the parent/guardian will have two (2) days to provide the information, or the absence will be recorded as unexcused. Truancy will be dealt with according to the middle school discipline matrix. (Additional consequences are stated in Discipline Procedure 3300). When a student accumulates 2-5 unexcused absences in a month, the parent/guardian will receive an attendance letter requesting a conference with school personnel to address the attendance concerns and discuss interventions. When a student reaches 5 unexcused absences/truancies in a month or 10

in a year, he/she will be referred to Grant County Juvenile Court. A student with twenty (20) consecutive absences excused or unexcused, will be automatically withdrawn from all classes.

Attendance and After School Activities

Students are not allowed to attend or participate in any after school functions on a day they are absent from school. Missing more than 3-1/2 periods constitutes a full day absence, and may prohibit a student's participation in after school activities (including activity days and games).

Attendance and Grading

Attendance may affect your grade. Teachers will inform you of their individual classroom attendance/tardy policies in their syllabi.

Bicycles, Rollerblades and Skateboards

Bicycles are to be parked and locked in the bicycle racks provided by the school. If you bring your skateboard to school it is expected **not be used on school property** and must be stored in your locker. A student who cannot make good skating decisions will find that Frontier administration will make the decision for them, and generally this means confiscation of the board.

Cafeteria

A hot breakfast/lunch program is provided. Free/reduced meal applications are handled through our Central Administration Office and may take up to 10 days to be processed. Applications are available in the main office.

Students will be issued an ID/Lunch card that contains their school lunch barcode. Student lunch accounts are credited each time a student puts money in his/her account and then debited each time a meal is eaten. There is a \$5.00 fee for replacement cards. The lunchroom management staff and fellow students will appreciate your cooperation in:

- Leaving the table and floor around you in clean condition for others.
- Refraining from excessive loud talk, laughter, or singing while eating.
- No throwing food or anything else. Any violation will be subject to disciplinary action, including suspension.
- Following proper release procedures, students will be excused from the cafeteria by table sections, once the table and floor areas are clean.
- Depositing all lunch litter in appropriate receptacles. No food or drink may be taken from the cafeteria.

Meal Prices as of Spring 2018 – prices subject to change (Check their website)

Milk - \$0.50

Breakfast - \$1.60

Lunch - \$3.00

Adult Breakfast - \$2.60

Reduce Breakfast - FREE

Reduced Lunch - \$0.40

Adult lunch - \$4.00

Forgery and Misrepresenting

Altering notes or documents, impersonating a parent on the phone, signing a note for a parent/guardian, school employee, or medical personnel are considered forgery and/or misrepresentation and will be dealt with accordingly. We consider a student impersonating his or

her parent/guardian on the phone to be forgery/misrepresentation and subject to appropriate discipline.

Closed Campus Student Designated Areas

FMS operates a closed campus policy. Once students arrive at school, they are required to remain on school grounds unless checked out by parent/guardian. Upon arrival at school in the morning students are to remain in the cafeteria area until released for classes.

Students waiting for the bus after school are to remain in the bus loading areas. Students who do not ride a bus should arrive no more than 30 minutes before school, and are to leave the school grounds no later than 30 minutes after school, unless an adult is supervising them. Hallways are closed. The staff parking lot, area restaurants, businesses and parks are off limits to students during school hours unless due to a supervised school activity.

Computer/Internet Use

When you use FMS computers, you have the responsibility to use them correctly. This means that they should not be used to access or create materials that don't belong at school. This includes, but is not limited to, images and messages that are sexually explicit, grotesquely violent, or seek to demean or harass others. Please be aware that the privilege of computer use depends on your ability to use them correctly. You may lose that privilege if you are unable to act responsibly. Parent signature on this planner denotes approval to use the Internet at school. If a parent does not want his/her child to access the Internet, please contact the school and make that statement known to administration.

Counseling Office

The counseling office is located next to the main office. The counselors routinely meet with students throughout the school year. In non-emergency situations students will sign-up to see their counselor. The counselor will arrange a time that is best for the student's schedule. Services available to each student include: scheduling and selection of classes, student/ social activities, conflict resolution, parent/guardian conferences, career counseling, group and individual counseling, registration, withdrawals and record retention. Mr. Himple will see students with a last name that begins with **A-L**. Ms. Santos will see students with a last name that begins with **M-Z**

Detention

Before or after school detention may be assigned by the classroom teacher to students to make up assignments, or for unacceptable behavior. Students are responsible for making arrangements with their parent/guardians, teachers, and staff to complete the detention. **Parent/guardians will be given 24-hour prior notification by phone or letter sent home with student when their child has been assigned detention.** Failure to complete detention is considered failure to comply and may result in a referral to the office. Most teachers require signed authorization from parents acknowledging that their student will serve the detention. Failure to have a detention notice signed and returned could result in further consequences. Failure to serve the detention could also result in further consequences.

Discipline

Students are expected to follow classroom management procedures. Teachers will inform students and parent/guardians of behavioral expectations and classroom management steps. Parent/guardians can expect contact from teachers when issues arise in the classroom so problems can be addressed. (MLSD Policy # 3300)

Dress Code

It is the goal of Moses Lake School District to establish and maintain a quality learning environment for all students and staff. To that end, we expect all students to dress in a manner that provides for adequate safety while on school grounds. Further, we hope to instill the understanding of, and adherence to, appropriate dress for a work environment as we prepare students for their future career. It is the responsibility of FMS administrators to take reasonable steps to ensure a learning environment free from sexual harassment. Students wearing clothing that is disruptive to the learning environment or hampers the safety of themselves or others as determined by the school will be asked to change clothing and may be subject to school discipline if they refuse to do so. These guidelines are not intended to be all-inclusive. The principal has the authority to determine if clothing is disruptive to learning or impacts student safety. Clothing and personal items that promote or support alcohol, drugs, gangs, profanity, sexual conduct and violence cannot be worn on campus or at any school-sponsored activity. Overly revealing clothing is not considered appropriate. Students must follow all safety regulations regarding dress in all shop and laboratory areas.

Any students wearing, carrying or displaying gang-related apparel, or exhibiting behavior or gestures which symbolize gang membership, or causing and or participation in activities that intimidates or affects the attendance of another student, shall be asked to make appropriate corrections and will be subject to discipline if the correction is not undertaken.

Students found to be violating this policy will be asked to immediately conform to the policy and will be subject to disciplinary action as specified by the Policy #3300. (Student District Dress Policy # 3224)

Fire Drill and Emergency Evacuation

State law requires that emergency drills be practiced, and we take our drills very seriously. We expect students to follow directions and comply with staff instructions. A Fire Drill/Emergency Evacuation Plan is posted in each room. Students should study the plan and become familiar with it. During a drill there should be no talking, horseplay, or misbehavior. In the event of a real emergency we must be prepared.

Emergency Closure of the Building

In cases of severe weather, school may be delayed (generally 2 hours) or cancelled. The best way to determine that status is to listen to the radio station in the morning. Please do not call the school. The media will announce delays or cancellations once the district has made its decision. The most current information will be found through the media.

Typically, if school is delayed or closed the decision is made by 6:00 am.

Evening Activities

We schedule activity nights frequently throughout the year. These activities are from 3-5 pm

or 6-8:00 p.m. and are open to FMS students only. Parent chaperones are encouraged to help. A typical evening activity includes a DJ, games, and a variety of fun activities. We expect parents to pick up their students promptly at the conclusion of the activity. The activity is free with an ASB and \$5 without. STUDENTS MUST PRESENT THEIR STUDENT PICTURE ID CARDS AND PERMISSION SLIPS BEFORE ADMITTANCE.

Fees and Fines

Students who have missing or damaged books, athletic equipment, and/or any other fees or fines that have not been paid by the end of the year may not receive report cards, pictures, yearbook, etc. These items will not be released until the fines have been cleared by the office.

Hallway Courtesy

We expect our hallways to be safe zones; inappropriate behavior in our hallways is not tolerated. Students in the halls during class periods are required to be accompanied by a staff member or have their Planner Pass signed by an authorized staff member. Do your part to avoid congestion in the hallways, by walking to your right, and keeping your hands and feet to yourself as you move through the halls. Pass through hallways quietly. Do not run! Be considerate of others in the hallways and classrooms. Discard trash in appropriate containers. No food or drink is allowed outside of the cafeteria.

Harassment Intimidation and Bullying Policy

Harassment in school is unwanted attention from other students and is not tolerated.

Harassment may include, but is not limited to, leering, pinching, grabbing, pushing, teasing, spreading gossip and rumors, expressing unwanted comments and jokes, (directly told or overheard), and implied or expressed verbal or written threats.

Harassment may carry the message that if the victim does not comply with the harasser's demands, there may be retaliation. Harassment can cause physical or psychological damage to students, affecting grades, attendance, performance and pride in one's work. Victims of harassment should report the problem immediately to an adult. The adult will then work with the student to see that appropriate action is taken according to MLSD Policy #3300.

Homework Due to Absences

Students/parents are responsible for obtaining and making up any work or tests missed when absent. Students are permitted two (2) days for each day of excused absence to make up missed work. Homework is typically posted in classrooms. It can also be accessed through a student's teacher, planner, Google Classroom, or fellow classmate.

Preplanned Band and ASB activities are exempt from the 2 days for make-up work. Students who miss school for these activities are required to get their homework ahead of time and turn it in on time or the day they return to class, whichever is later.

Illness and Injury Procedure

If a student is ill or becomes injured at school, he/she must check into the health room before contacting a parent or guardian.

Insurance

The district shall make arrangements with a reputable insurance carrier to offer accident insurance to students, for a small fee. District funds may be expended, when approved by the Board of Directors, to pay premiums for major medical athletic insurance through the Washington Interscholastic Activities Association. District funds shall not be used, other than as provided above, for the payment of premiums nor shall the district or any of its employees assume legal responsibility whatsoever for the provisions of the student insurance policies. (MLSD Policy # 3422)

Low Cost Affordable Health Care

Affordable health care is also provided through a program "Healthy Kids Now". Stop by the counseling office to pick up an application or call 1-877-543-7669 for more information.

Late Arrivals/Tardiness

When you are late to school, go directly to the main office before going to your class or your locker. Present your note to the office staff and you will be given a tardy slip. If your parent/guardian brings you, they need to check you in and no note will be needed. Your parent/guardian may call before you arrive at school and excuse your tardiness. If you are tardy and do not have a note or a telephone call has not been received, you will be admitted to class with an unexcused tardy pass. The classroom teacher will handle consequences for a tardy to any class. All tardiness, no matter what the reason, will count toward the total number of tardiness during a quarter and may affect a student's grade, as indicated in individual teacher's grading policies. Cumulative tardiness may result in a disciplinary referral to the office.

Library

Students should take the time necessary to learn the proper use of the library, and its rules. There are special rules for the use of reference materials, magazines, and reserved books. A student will receive a fine for lost or damaged library materials or books.

Lockers

Each student is assigned a locker at no cost. However, the cost of repairing any damage to a locker will be charged to the student. The majority of lost items from lockers are due to sharing the combination with someone. Students should not prop their lockers open or leave them unlocked. FMS does not assume liability for stolen articles. Lockers are the property of FMS and are subject to inspection by school officials at all times, without notice to students.

8th Grade Backpack Policy:

The use of backpacks will be only for 8th grade students to transport materials from one class to another. Students will be responsible for having all their class materials with them in the backpacks. Other items, such as electronics and personal belongings, can be in their backpacks but must remain in their backpacks and not create a disruption to the class environment. Other items, such as hats, cannot be hung from the backpacks.

Student backpacks must be of 'typical' size' and function; other items such as duffle bags, baseball bags, rolling bags, etc will not be allowed.

Lost and Found

The lost and found area is located by the cafeteria. Articles that are found should be turned in to the office. Lost articles may be claimed before or after school. All unclaimed items will be donated to a local charity at the end of the school year.

Medication Procedures

Under normal circumstances prescribed medication and non-prescribed medication should be dispensed before and/or after school hours under the supervision of parent/guardian. If medication is required during the school day (including inhalers), the **Authorization for**

Administration of Oral Medication at School form must be filled out by the Primary Care Provider and the parent/guardian. This form is available in the health room or office. The medication must be brought to school in its original container by the parent/guardian. Authorized personnel must dispense all medication. Medication will be stored in a secure location. (MLSD Procedure #3416).

Physical Education

Students are required to have an FMS approved P.E. uniform and laced athletic shoes. The uniform can be purchased from FMS or local merchants. Gym clothes must be clearly marked, with first initial and last name in space provided on each item to be worn. All jewelry must be removed for safety reasons; this includes: earrings, necklaces, watches or any piercing. Students are provided with a combination lock, and basket, for storage of personal items. A student will receive a fine for lost, misplaced, or damaged lock. FMS does not assume liability for stolen articles.

Tardy Policy

Being on time to class is essential for Frontier Middle School students to ensure that the maximum amount of time can be spent on helping our students grow academically.

The policy will work on a "per tardy" basis and will center around developing our students "soft skills" of being on time and being organized and ready to begin their work.

Policy Definitions:

- "A student is considered Tardy if he/she is not in the classroom before the bell rings."
- If a student is tardy to class they need to wait outside the classroom door to be let in by a staff member.
- Students with permission to be late to class must have a pass from their teacher.
- Unexcused tardies will be marked in skyward and follow the tardy policy ladder.
- If a student is more than 10 minutes late to class without an excused pass they will receive a referral for skipping class.

Possession of Dangerous Object/Weapons

Possession, handling or transmitting any object that can reasonably be considered a dangerous weapon may result in suspension or expulsion from school. Any student bringing dangerous weapons, including air guns, knives, throwing stars, "nun chukka sticks" or explosives will be long-term suspended. Any student bringing a firearm to school will be expelled from school for a period of not less than one year. (MLSD Policy # 3300)

Electronic Devices/Cell Phones

Electronic devices such as: cell phones, tablets, iPods, e-readers, and handheld games create distractions and disruptions in the classrooms and hallways. They also pose a risk of damage and/or theft at school. Cell phones may be in a student's possession as long as they are turned to silent mode during the school day and stored in the student's locker except for 8th grade (*see 8th Grade Backpack Policy). Cell phones are not allowed in classes, hallways, or at lunch. FMS does not assume liability for lost or stolen items. Students who use these items inappropriately may have these items confiscated by the teacher, staff, or administration per FMS building practices. These items may be confiscated for the remainder of the school year if repeatedly used inappropriately at school according to the guidelines by the School Board in the discipline matrix.

Report Cards

Report cards are sent home to parent/guardians approximately every nine weeks. Quarterly reports are sent home with the student while semester reports are mailed.

Parent/guardians can request additional progress reports at any time by contacting their child's teachers. Most teachers send weekly or bi-weekly progress reports home with the student. Again, please check with your child's teachers regarding progress.

In Danger of Failing notices are sent mid-quarter and mailed to the parent/guardian only if the student is receiving an "F" in a specific class and has the remainder of the quarter to improve the grade.

School Bus Transportation

Transportation is provided for all students living outside the two-mile limit. Rules regarding school bus behavior are district wide. Students must conduct themselves in a proper manner or their bus privilege may be suspended. When a student is suspended from bus privileges, it becomes the parent/guardian's responsibility to provide transportation for the student. Students must have a note signed by parent/guardian and brought to the office, and FMS office staff will issue a bus pass when riding a bus other than the one assigned. Notes arranging for alternate bussing must be turned into the office by 10:00 a.m. to assure a bus pass can be issued prior to the end of the day (Subject to availability). MLSD transportation is not provided for out of service area students.

Fights/Alcohol/Drugs/Weapons

FMS will not tolerate fights, threats, or possession, use, or transmission of alcohol, tobacco, or drugs while on school property. Strong disciplinary actions will be initiated against any violator. (MLSD Policy # 3300) Possession of firearms at school is strictly prohibited and will result in an automatic one year expulsion. (MLSD Policy # 3241)

Skyward Family Access

Frontier Middle School utilizes the District approved, web-based school data management system called Skyward. It is another tool to promote student success. **Skyward Family Access** is a web-based Internet system that will provide you valuable information about your student's progress at school. The purpose of this tool is to enhance communication between a student's home and school environment. **Skyward Family Access** will give you access to the following student information:

- * Attendance
- * Schedule
- * Discipline
- * Grading w/ teachers e-mail addresses
- * Health Information
- * Food Service Accounts

The website is: **www.moseslakeschools.org**

Please contact the counseling office if you have further questions or need your Login and Password.

Substitute Teacher Policy

FMS students respect our guest teachers/staff. Substitutes enjoy being at Frontier because our students treat them with respect. Substitutes provide an important and invaluable service to the school and we appreciate their efforts. We will hold students accountable for any misrepresentation of their names, the seating chart, assignments, or other deceitful behavior or

disrespect shown to our substitutes.

Telephones

Students must obtain permission from school personnel to use school telephones and must limit calls to school business. Students will not be called from class to answer the phone except in emergencies.

Textbooks

The school furnishes all textbooks for student use. Reasonable care should be used in handling books or school property. All damage other than reasonable wear must be paid for. Report cards may be held until fines are paid.

Parent Visitors

If you are interested in meeting with one of our teachers, please arrange a time in advance for your visit. Our teachers have a planning period during the day and may meet with you at that time. Our counseling staff may assist you in setting up an appointment to meet with your child's teachers.

Visitors

Frontier is a closed campus. All visitors must check in with the front office. Any visitor wanting to visit teachers and/or students during class time will need prior approval of administration.

Parking

The primary student drop off before and after school is located on Elm Street using the parking lot closest to Lion's Field. If you coming by the school during school hours please park at the front of the building and enter through the main doors on 3rd Ave.

Warrior Achievement Program

The FMS Warrior Achievement Program recognizes those students who are striving for growth in academics, behavior, and attendance. It encourages all students to strive for improvement. Our goal is to grow all students and to recognize those students that put forth the work that results in their personal growth. Frontier's reward programs will include various opportunities and activities including, but not limited to, participation in 7th period Warrior Achievement days, dances, assembly recognition, field trips, and Carnival Day in May. Participation in reward events will be based upon administration and/or their designees review of the criteria and guiding principles.

Withdrawal/Transfer

Students who are withdrawing or transferring to another school need to complete our withdrawal process by parents completing a withdrawal form. The withdrawal form is given to staff to complete the book check-in, and give a final grade. A copy of this form will

be given to the parent to be used when they enroll at their next school. School permanent record folders are not given to the parent, but will be mailed to the new school upon request. The withdrawal process cannot disrupt class time, so if you know ahead of time when the last day will be for your student, please contact the counseling center for a withdrawal form. Your student can take it period by period to each of his/her teachers for a grade and book return. A copy of the completed form will be sent home at the end of the day.

Section 504 Notice of Nondiscrimination

Students, parents, employees and others doing business with or performing services for the Moses Lake School District are hereby notified that this school district does not discriminate on the basis of race, color, national origin, sex, marital status or disability in admission or access to, or treatment in, its programs and activities. Any person having inquiries concerning the school district's compliance with the regulations implementing Section 504 is directed to contact:

Mr. Banda, Section 504 Compliance Officer 1318
