

Dear Parents and Guardians,

The Brentwood Elementary Kindergarten holiday program, "The Colors of the Season," will be held at the Brentwood Gymnasium on Tuesday, December 18th 2018 at 6:00 pm. The program will last roughly 20 minutes. *(All students will be meeting in the cafeteria 15 minutes prior to the program at their teacher's marked table. Students should not be away from their families or out in the halls unattended. After the program students will return to the cafeteria for parent pick-up.)*

Students may wear nice holiday clothing for this program. Speaking parts are being covered by a few older siblings. If your student has been chosen for a speaking part they will come home with papers to practice. The speaking parts can choose to wear a sparkly hat or a Santa hat provided by Mrs. Bennett. The words do not have to be memorized, but please work with your student so they are comfortable with speaking the words into a microphone.

Thank you for all your help and support as we put together another fun Holiday program.

Thank you!

Laura Bennett
