

March: 3<sup>rd</sup> grade  
Picasso inspired self-portraits

**Supplies and setup:**

Cover desk  
Black oil pastels (in the bin)  
White construction paper  
Pencils/erasers  
Chalk pastels  
Paper towels (1 sheet per student)  
Hand wipes  
Hair spray (to set the chalk)

**Introductions:**

Introduce yourself and your art team to the class. Give your art team a brief description of the lesson.

**Lesson:**

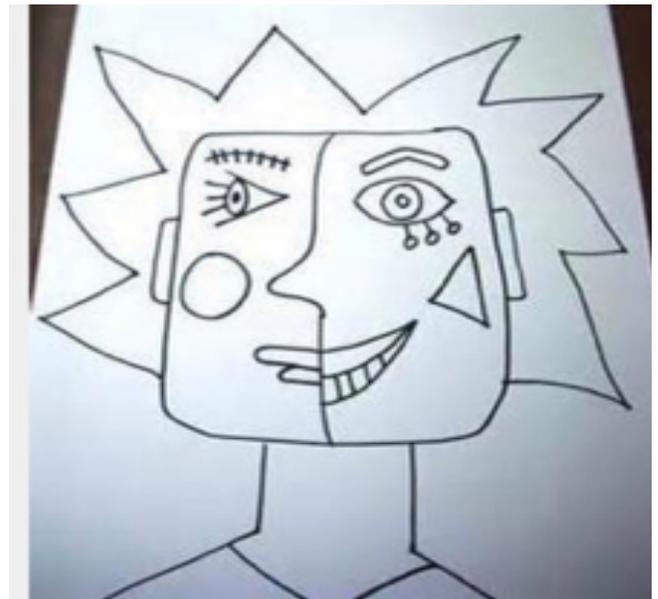

Pablo Picasso was a famous artist who was born in Malaga, Spain. When he was 9 years old he completed his first painting. Pablo Picasso and another artist George Braque invented Cubism, form of painting that features simple geometric shapes. Today we will be exploring and drawing a Cubism, self-portrait.

**Visuals:**

Ask teacher to play a Youtube video on: The Names of Picasso.

On projector show pics of cubism:

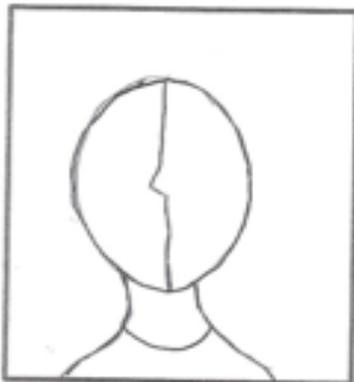

## Let's Get Started:

In portrait position follow the guide to drawing the basic face.

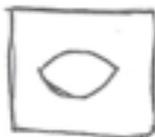

With pencil draw the face and neck and shoulders

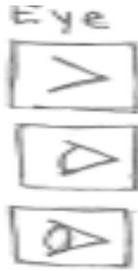

Add line with nose down the center of the face.

EYE

Discuss the two sides of the face before adding eyes and lips. Talk about and show the different types of eyes and lips. Plan one side of face at a time.

Plan and discuss options for hair. Hair can be the same on each side or different on each side. Add ears for short hair styles. After all face designs are completed go over all pencil lines with the black oil pastel.

Most important

\*\* With black pastel go over all lines before starting to fill in with chalk pastels\*\*

## **Chalk Time:**

Briefly discuss how to apply chalk pastels.

Hold the chalk pastel on a slant in between the thumb and first finger and in small circular movements, add chalk to one side of the face. Smooth/blend chalk with one finger. Wipe finger(s) on paper towel before applying the next color.

After all chalk is completed go over with the black oil pastel (the main structure of the face) to make the face pop with details.

Take finished chalk art outside and spray with hair spray.

## **Have students sign their Picasso!**

## **Clean up:**

Collect all the materials and return them to the bin. Take bin to the art room.
