2017-2018 Middle/High School Annual Education Report (AER) Cover Letter

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for the Crossroads Charter Academy middle/high school. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact MS/HS Principal Ross Meads for assistance.

The AER is available for you to review electronically by visiting the following web site <http://bit.ly/2GbLUYQ> or you may review a copy in the main office at the middle/high school.

For the 2017-18 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was not given one of these labels.

State law requires that we also report additional information.

1. Parents choose CCA as an alternative to traditional public schooling. We allow any student in the State of Michigan to enroll. Middle school students are assigned to a grade as soon as they register. For high school students, previous academic history is evaluated and a grade assigned based on credits earned. If a grade level cap is reached, a waiting list is then created for that grade.

2. The 7-12 building at Crossroads Charter Academy re-evaluated the 3-5 year School Improvement Plan during the 2017-18 school year. The plan was revised to better align goals and strategies that match the 5 Dimensions of Teaching and Learning instructional model. Two new reinforcement software pieces were added to the math curriculum to address identified deficiencies.

3. CCA does not have any specialized schools.

4. Curriculum can be accessed by contacting the 7-12 main office. Curriculum follows the Common Core State Standards for ELA and Math in grades 7-8 and the Michigan Merit Curriculum for 9-12 students.

5. The main standardized test that we use besides the M-STEP is the NWEA MAP test. Grand Valley State University is the authorizing body for Crossroads Charter Academy, and as such provides an accountability report each year with the expectation that fifty per cent of the students in grades seven to ten will have achieved their fall to spring growth targets. For the 2016-17 school year, the eighth grade was below the 50th percentile in math and reading and the 9th grade was below in math. For the 2017-18 school year, CCA met the accountability requirement from GVSU in all grades. In fact, all four grades were above the 95th percentile in math and above the 80th percentile in reading.

6. Students represented by parents at Parent Teacher Conferences is as follows: a. 2016-17: 36% b. 2017-18: 42%.

7. Dual Enrollment

2016-17 34 out of 198 (17%) students dual enrolled

No AP/IB courses were offered.

34 out of 198 (17%) students received credit leading to college credit.

2017-18 35 out of 186 (18%) students dual enrolled

87 dual enrolled classes

No AP/IB courses were offered.

85 out of 87 (98%) of classes taken earned
college credit.

The high school was recently recognized by US News & World Report as a bronze award winning high school for the 2016-2017 school year. This success was largely based on the performance of the junior class on standardized testing.

The teachers and staff appreciate the support that each parent or guardian provides. We as an entire staff will continue to focus our attention on meeting the needs of each individual student to ensure that all students grow academically, socially, and emotionally each year.

Sincerely,

R. Ross Meads
MS/HS Principal
