PTO Meeting Minutes

December 6th, 2018, Parish Hall

Next meeting on January 10th, 2019

Opening Prayer-Mrs. Emerich

State of the School-Mrs. Emerich

Can request full report but here is new info:

Will be purchasing a portable from the Boise School District. Should be around \$15K vs. leasing for 2 years at \$60K. Will tear out trees that are messing up the concrete on side of Parish Hall and put there.

Kindergarten will move into the main building, pre-school will be in the kinder room and will move an older class to the portable. There will not be plumbing-that adds another \$10K.

Tested for lead in classrooms and only 6th grade tested positive (but on the low side).

Wasn't being used anyway. Will test again soon and if positive again, will replace.

Water fountains are in-kids are writing thank yous!
