GABRIELINO HIGH SCHOOL SCHOOL-PARENT COMPACT

We value your role in working to help your child achieve high academic standards. The following is an outline of some of the ways you and school staff can build and maintain a partnership to share the responsibility for supporting your child's learning.

School's Responsibility:

- Provide high quality curriculum, instruction, and learning materials.
- Provide you with assistance in understanding academic achievement standards and assessments and how to monitor your child's progress.
- Provide academic and social/emotional support intervention programs for struggling students.
- Provide opportunities for ongoing communication between you and teachers through, at a minimum:
 - frequent reports regarding your child's progress
 - opportunities to talk with staff, volunteer at school, and observe classroom activities
 - ensuring information on the school website is current and accessible
 - parent information nights throughout the school year

Parent's Responsibility:

- Encourage your child to attend school regularly.
- Encourage your child to show positive school behavior.
- Ensure that homework is completed.
- Encourage your child to seek assistance from their teachers when help is needed.
- Attend parent information nights to meet teachers, learn about school programs, and gain information needed for your child's success in high school and beyond.
- Monitor cellphone usage, television watching, social computer time, and encourage positive use of your child's extracurricular time.
- Limit and monitor the time your child spends on social networking platforms.
- Volunteer in your child's school if time or schedule permits.
- Attend parent-teacher conferences and participate, when appropriate, in decisions relating to the education of your child.
