Re: School Closing & Delays

Hello Parents/Guardians and Families,

As we begin to experience the effects of winter weather, we wanted to take a moment to share the Inclement Weather Protocol for the 2019-2020 School Year.

- * The decision to close or delay at the ACLD Tillotson School will be based on the decision of the majority of districts who transport students to our school.
- * Families should always follow the closure/delay schedule of your own school district. Please check KDKA, WTAE, or WPXI to see if your home school district is closed or delayed. If your district is closed, transportation will not be provided for your child. You may transport your child to school, provided we are open. Please check the website for the most recent information on closings and delays.
- * Tillotson School delays and/or closures will be reported to local news stations. Please check KDKA, WTAE, or WPXI for Tillotson information. Our school will be listed as "Tillotson School (ACLD)".
- * Information will be posted on our website at www.acldtillotsonschool.org .
- * Tillotson School information will be posted by 6:30 am.

Should you have any questions or concerns, please feel free to contact us at school at 412-881-2268.

Please stay safe & warm!!!
