Middle States Association  
of Colleges and Schools  
Commission on Elementary Education

September 13, 2018

Dear St. Elizabeth Families,

I would like to start by thanking our HSA and the Food Truck committee for the great job they did organizing and setting up this event. The food was wonderful and the company even better. Thank you Jenny Wells and Krista Barabas!

Next week we have "Back To School Night" on the 19<sup>th</sup> and 20<sup>th</sup>. The Book Fair is also next week. The schedule for both events is included in this week's Brown Envelope. Please remember that "Back To School Night" is not a time for conferences, but rather an opportunity to meet and have teachers outline their expectations for the year. I look forward to seeing you and hope you take a moment to visit the Book Fair.

During the summer we have been working on our new website. We are hoping to launch the new site by Tuesday September 18<sup>th</sup>.

We have ordered new math materials for grades K-5. They have not yet been received so we are using our previous text. The material is a more current version of our math series. I will keep you posted, but expect the books next week.

As many of you know, Tommy, a Kindergarten student in our school is battling cancer. On Thursday, September 27<sup>th</sup> at 6:30pm there will be a Mass for Tommy in our church. Please join us if you are able as we continue to pray for Tommy and his family. In this Brown Envelope, there is also a flyer for tee shirts to show your support. Thank you.

Finally, tomorrow night is High School information Night in our gym at 7pm. If you have a student in grades 6-8 you may wish to visit and get some information on the high schools in our area. This event is sponsored by our HSA.

Pray for those who are preparing for Hurricane Florence.

Sincerely,

Karen A. Lewis
