

Fayette CHIPS Sponsors Recognized

Once a year, Fayette County Public Schools attends a district leadership retreat to reflect on the past year, review any changes that may be implemented for the upcoming year, and just recharge with fellow colleagues. This leadership retreat is made possible through the generous donations of local businesses. Thank you for your continued support in growing a stronger leadership team for students and families.

Elementary Schools Receive Funding for Fresh Fruit and Vegetable Program

Healthy snacks promote healthy bodies and minds! Fayette County Public Schools has been awarded funding for the 2018-19 school year for the Fresh Fruit and Vegetable Program within its elementary schools. This program will provide students with healthier food choices by expanding the variety of fruits and vegetables children experience, increase fruit and vegetable consumption and make a difference in children's diets that will impact their present and future health along with increasing their academics.

Coordinating Local Services for Students and Families

Making connections and forming partnerships with local health care and service providers is an important role that FCPS Coordinated School Health Director Jackie Shields tackles head on. Ms. Shields met with various providers across the district to expand the capacity for healthcare services for uninsured youth within the school system, as well as to seek follow-up providers for vision and hearing referrals.

Monica Pye-Houston Opens Boutique

A lifelong resident of Fayette County, Ms. Monica Pye-Houston proudly held the ribbon cutting ceremony for her new store in Rossville, Small Town Boutique. Ms. Pye-Houston is a Fayette-Ware Comprehensive High School alumni from the graduating class of 1992. Congratulations on your new business venture and may it be a success! If you are a successful Fayette-Ware alumni with a story to share, please contact jodi.joyner@fcsk12.net.

Computer Class Through UTM
