Apprenticeship Program for Local 150 Operating Engineers

The Apprenticeship Office for Local 150 Operating Engineers is opening applications for the trades of Heavy Equipment Operator, Heavy Equipment Repair Technician, Geothermal Well Driller, and Construction Material Inspector. An application can be requested in person at one of our 9 offices during the scheduled dates and times listed below. A $25 application fee per program will be required at the time of request in the form of a money order only, made payable to “Local 150 Apprenticeship Fund”. Please note: All applicants must possess a valid driver’s license. The address on your driver's license MUST MATCH the address on your application.

Minimum Qualifications for the program are as follows:

a. At least 18 years of age
b. Must have graduated high school or obtained a GED. The applicant will provide a high school transcript for evaluation purposes.
c. Be a resident of the jurisdictional area of Local 150.
d. A valid driver’s license and the maintenance of such are required at the time of selection.
e. A statement from a licensed physician stating physical ability to perform the work of the trades will be required 30 days after being accepted into the program.
f. Must be able to read, write and speak the English language.
g. Required to undergo drug testing.
