Advanced Placement and Honors courses are taught at accelerated paces and at advanced levels of instruction. The text, writing, and format of the courses are all at a higher level and require an increased time commitment to homework and study. Exemplary attendance is critical in these courses because class work cannot be duplicated outside of the classroom. Adherence to Independence High School’s Academic Honesty Policy is required.

Having read the above requirements and expectations:

- ___ I agree to the accelerated pace and rigorous curriculum of the **AP/Honors** course.
- ___ I agree to do the extra outside class work and/or extra projects as assigned.
- ___ I agree to complete the summer assignment before the course begins (you must obtain the assignment from the IHS website before the school year ends).
- ___ I am prepared to make a commitment to stay in the course for the entire year.
- ___ I have passed all the prerequisite course requirements.
- ___ I have discussed my decision for AP/Honors classes with my teacher, counselor, and parents.
- ___ I have read and agree to the terms of the Independence High School Academic Honesty Policy as delineated on the reverse side of this form.
- ___ I must maintain a ‘C’ or better to stay in any AP/Honors classes.

INDEPENDENCE HIGH SCHOOL ACADEMIC HONESTY POLICY

1. First offense – **“0”** for the assignment; parental notification; notify counselor.
2. Second offense in same class – same consequences as first offense **plus** refer to Dean for offense to be added to student’s discipline screen; **possible removal** from AP/Honors level class.
3. Third offense in same class – same consequences as second offense plus **possible “F” for that quarter’s grade; removal from AP/Honors level class.**
