Dear Parent/Guardian,

Governor McMaster has ordered all South Carolina public schools to be closed through March 31<sup>st</sup>, 2020. Because we value learning and education, we will continue to provide learning experiences appropriate for your child's age and grade throughout the upcoming weeks. Teachers at your child's school have developed learning packets and will be available for pick up on Wednesday, March 18<sup>th</sup> from 8:00am to 12:00pm. These instructional packets have 5 days worth of instructional lessons/activities broken down day by day. Please have students complete these lessons daily. All completed work will be due 3 days after students return to school. The second week's instructional packets will be available March 25<sup>th</sup> for pick up at the school. A link to instructional packets will be available on the school's website.

Teachers will have weekday office hours via email and/or phone to assist you and your student(s) beginning Wednesday, March 18<sup>th</sup> (elementary 9:00 am-12:00pm, middle 10:00 am – 1:00 pm, high 11:00 am-2:00 pm). I will be available Monday-Thursday during school hours at the school if you need assistance.

Please continue to check the school district's website for any changes in plans or schedules. We appreciate your patience as we work through the details surrounding this challenging situation.

Sincerely,

Damon L. Barnhill, M.Ed.  
Principal
