

Dear Navarro ISD Families:

March 17, 2020

**Given the rapidly evolving situation with COVID-19, Navarro ISD will extend school closure through Friday, April 3 in an effort support our nation's need to slow the spread of the novel coronavirus.** Health officials report that cases are continuing to spread in the state, and in the counties surrounding Guadalupe County. Suspending operations for this length of time will allow us to determine, in coordination with local health officials, whether the virus is continuing to have community spread or whether it has been contained.

UIL has required cancellation of all events and practices through March 29 at this time. We will keep you posted in regard to spring events, but in the meantime, all school and school related activities are cancelled.

Lunch and next-day breakfast are being provided for all NISD students at a drive-through on the east side of the Intermediate School from 11:00 AM to 12:30 PM Monday through Friday.

**District staff is working to provide remote learning for all students. Specific information in this regard will be provided by Friday afternoon.**

The Centers for Disease Control and Prevention has outlined the need for all communities to implement a social distancing protocol. We want to reiterate a request to our broader community to take the following reasonable precautions to prevent the spread of the illness:

- Don't shake hands
- Wash your hands regularly
- Limit movement within the community, especially avoiding crowded places and maintaining 3 to 6 ft of distance between people (at least an arm's length)
- If you are moving around in the community, don't congregate in large groups
- For those who have traveled to areas with known COVID-19 cases – both inside and outside of the country – we ask that you self-quarantine and monitor for symptoms.
- If you suspect you have symptoms of COVID-19, call your health care provider for medical advice .
- Keep your child at home if he/she feels ill, even if you think it is just a cold.
- Do not leave the house if you are ill, except to access medical care

Thank you for your support and cooperation as we ensure that the Navarro community stays safe and healthy. We hope to re-open on April 6.

Dee Carter  
Superintendent
