September 2018

Principal's Message.....

I hope everyone has had a marvelous first month back to school. It is so great to see all the students happy, playing at recess and most especially, eager to learn new concepts in the classroom. I thank all the families that joined us last Friday for our Family Picnic. It was so fun seeing everyone enjoy one another's company in a relaxed environment I hope you can all join us on Sept. 6th for our annual Back to School Night. This is a valuable opportunity to learn about your child's teacher's policies, expectations and learning goals. I look forward to seeing you at our Latino Family Festival! Wishing you all a joyful 2nd month of the school year! Warm Regards, Dr. Molina-Solis

Ms. Lily's Corner.....

Ms. Lily is excited to start a new meditation room for our students. She thanks the parents who have already made thoughtful donations as it has helped get this dream room started. She is still in need of supplies to make it truly an exceptional place for students to relax, destress and practice some yoga. If you wish to donate artificial green plants, neutral colored yoga mats, fairy lights, or gift cards to amazon, dollar tree, or Ross, Ms. Lily will be so appreciative. We are aiming to open our mediation room, Panther Spaw, after Labor Day. Hopefully, it will be available for you to view at Back to School Night. Thank you all in advance for your generosity!

Student of the Month.....

For the months of August and September, our teachers have been looking for students who are respectful. During Dr. Molina-Solis' welcome back assemblies, she spoke about this trait and how important it is for students to not only respect themselves, but others as well. Make sure to discuss this quality with your children and support our efforts to foster this trait by modeling respectful behavior with them as well as acknowledging them when they are being respectful.

Upcoming Events.....
