

Our Core Beliefs / Mission

We at Hodgesville Elementary School are dedicated to providing all students with knowledge to become college and career ready in an environment which emphasizes respect, caring, and the motivation to reach their greatest potential.

It is our desire to:

- Provide a warm, caring environment which emphasizes the development of the individual child's social, emotional, physical, and academic growth.**
- To teach all children so they may achieve their highest academic potential, to build a foundation to become college and career ready, and to be a successful citizen.**
- To allow all children to experience success and to develop a high self-esteem.**
- To encourage and recognize parent and community involvement in the school.**

Our Goals:

Hodgesville Elementary School will have an increase of at least 7% for the number of students at proficiency as based on end of year data for the 2018 - 2019 end of year assessments for Math.

Hodgesville Elementary School will have an increase of at least 7% for the number of students at proficiency as based on end of year data for the 2018 - 2019 end of year assessments for Reading Language Arts.
