Loudon County Board of Education Student Acceptable use of Internet Policy:

Internet and video conferencing accesses are now available to students and teachers in the Loudon County School System. This access to an electronic highway connects thousands of computers all over the world and millions of individual subscribers. We are pleased to bring this access to the Loudon County School System and believe technology offers vast, diverse, and unique resources to both students and teachers. Our goal in providing this service to students and teachers is to promote educational excellence in schools by facilitating resources sharing, innovation, and communication. With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of a school setting. The Loudon County School Board must take precautions to restrict access to controversial material. However, on a global network it is impossible to control all material and industrious users may discover controversial material. The Board firmly believes that the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is not consistent with the educational goals of the school system. Internet access is coordinated through a complex association of government agencies, and regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct of the end users that must adhere to strict guidelines. If a Loudon County

School System user violated any of the provisions of this policy, his/her account will be terminated and future access could be denied.

1. Acceptable use – The purpose of NSFNET, which is the backbone of the Internet, is to support research and education in and among academic institutions in the USA by providing access to unique resources and the opportunity for collaborative work. The use of the account must be in support of education and research and be consistent with the educational objectives of the Loudon County School System. Use of any other organization’s network or computing resources must comply with the rules appropriate for the network. Transmission of any material in violation of any USA or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material or material protected by trade secret. Use for product advertisement or political lobbying is also prohibited. All users will also abide by the Policy and Procedures stated in the Loudon County Board Policy Manual.
2. Privileges – The use of the Internet is a privilege, is not a right, and inappropriate use may result in a cancellation of those privileges. Each employee who receives access will participate in discussions with a Loudon County School System teacher/administrator pertaining to the proper use of the network. The system administrators may close an account at any time required. The administration and Staff of the Loudon County School System may request the system administrator to deny, revoke or suspend specific user accounts.
3. Network Etiquette – Users are expected to abide by the generally accepted rules of network etiquette as defined by system administrators.
4. Warranties – The Board makes no warranties of any kind, whether expressed or implied, for the service provided. The Board will not be responsible for any damages suffered. This includes loss of data resulting from non-deliveries, or other service interruptions caused by its own negligence or users’ errors or omissions. Use of any information obtained via the Internet is at the user’s risk. The Board specifically denies any responsibility for the accuracy or quality of information obtained through this service.
5. Security – Security on any computer system is a high priority, especially when the system

involves many users. Security problems on the Internet must be reported to a system administrator or the Technology Director. Any user identified as a security risk or having a history of problems with other computer systems may be denied access to the Internet.

6. Vandalism will result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy data of another user, Internet, or any of the above listed agencies or other networks that are connected to the NSFNET Internet backbone. This includes, but is not limited to, the uploading or creation of computer viruses.
7. Pornography – Access of pornographic and/or sexually explicit material on the network is prohibited. Any attempt to access this type of material will result in cancellation of network privileges, appropriate disciplinary action, and/or appropriate legal action. The definition of pornographic content is determined by system administrators.
8. All Students are subject to the Loudon County Board Policy Manual.

HONOR ROLL

GOLD STAR requirements – all A's
SILVER STAR requirements – A's and B's

GRADING SYSTEM/POLICY

NMS believes a student's grade should reflect student mastery of the content. Therefore, the

following grading practices have been established by the North Leadership Team.

*All teachers will use a **Total Points** grading system.

* Grades will be based on mastery, **not behavior.**

* **5th-8th grades: 75% minimum** of a student's grade **will be based on mastery assessments.**

* **Teachers may offer (at the beginning of each 9 weeks), the opportunity to complete a project that could be used as extra credit.**

A student's grade will reflect mastery as it relates to their state assessment.

- A – Advanced, 100-93
- B – Proficient, 92-85
- C – Basic, 84-75
- D – Basic, 74-70
- F – Below Basic, below 70

Grade cards will be sent home every nine weeks. Parents may request a conference at any time to discuss their child's academic progress

Test

- Mid –term (4.5 weeks) test will not be required, but can be used
- All teachers will be expected to give a 1st 9 weeks and a 3rd 9 weeks test at a point value no less than 10% of the nine week's grade. Special area teachers will be required to give a 9 weeks test weighted at their own discretion.
- 1st Semester Test will count 15% of the 1st semester grade. All core teachers are required to give a 1st semester test. Special area teachers will only give 9 weeks test, weighted at their own discretion.
- TNREADY assessments will count as the 2nd semester test. TNREADY counts 15% of the second semester.
- EOC assessments will count as the second semester test. EOC counts 15% of the second semester.

"Incompletes" on grade cards: If a student's absence prevents him or her from completing work within the nine weeks, then he or she will be given an **"incomplete -- I" on the grade card, not a zero.** Students must complete the work within the next nine weeks and teacher will enter grades for all assignments received.

On the next report card, the incomplete will then become a grade. All work not turned in by the next reporting period will be averaged in as a zero.

Missing Assignments: Student assignments not received will be entered in Skyward as a “0” and “missing.”

Major Projects: Major projects are defined as research papers, science/ social studies fair projects, digital presentations, and any other assignment that has been assigned for more than two (2) weeks.

Grading major projects should be done through the use of a Rubric. Major projects will be graded throughout the assignment so a student has numerous grades and not just one major grade for the project.

All projects are due on the due date, even if the student is absent, unless approved by the administration.

Grades-on-Line: Students and parents have ability to view student grades on-line via SKYWARD, our student management system. Parents will need a password and username to access this data base. Parents can request a password/username from the main office. (Ask for Laura – extension 4840)

HOMEWORK: Homework is assigned to help students reinforce learning that has been taking place at school and to develop independent work habits. All students are expected to do homework assignments. Students with missing homework can be in danger of failing and may also lose the chance for field trips and or incentive days.

Student Placement: The NMS academic program is designed to meet the individual needs of all students. NMS ability groups our students. Students are grouped based on state assessments, placement test data, benchmark data, and and teachers’ recommendation. At NMS each student’s schedule is created individual based on the criteria listed above. This is why we do not accept requests for teacher placement.

Tutoring: Individual teachers set their tutoring schedule. Check teacher websites for the dates and time tutoring will be offered.

GENERAL RULES and PROCEDURES

ATTENDANCE

Tennessee Code 49-1708 requires that all parents/guardians be responsible for their child/children attending public or private day school. **Attendance is taken every period. Truancy is defined as an absence for an entire school day, a major portion of the school day, or the major portion of any class.**

SCHOOL HOURS: The doors of our school are unlocked at 7:15 A.M. Students are not permitted in the building until 7:15 A.M. when bus duty begins. The school cannot be responsible for any student who arrives before that time. The last bus leaves at approximately 3:40 P.M. **All students should be picked up by 4:00 P.M. unless they are staying for an approved after school practice or activity. Students are not allowed to walk to or from school.**

TARDINESS: Students are due in their 1st block class no later than 8:05 A.M. **Parent notes are not allowed for tardiness to school.** After this time, they must report to the main office to obtain a pass to be admitted to their class. **With the exception of a doctor’s note or a legal note, students who are late 10 minutes or more to class, will be charged with an unexcused absence.**

ABSENTEES: Students returning to school after an absence are required to present a note to the office. **This note should be dated and should give the specific reason for the absence. The parent or guardian must also sign the note. A student is only allowed five parent notes per year.** It is recommended that a doctor’s excuse be presented any time the student has been to the doctor during his/her absence.

All notes must be turned in within 5 days of the return to school. When a student accumulates five or more unexcused absences, the parent and student may be required to meet before the truancy board.

SCHOOL BOARD CRITERIA FOR EXCUSED ABSENCES:

1. Personal illness
2. Illness in the family requiring temporary help with the child
3. Recognized religious holidays
4. Emergencies as determined by the principal and/or teacher

EXCUSED ABSENCES: It is the student’s responsibility to make arrangements with the teachers for make-up work. This should be done promptly on the day of his/her return or to school. Students who have excused

absences have **two days to make up school work for each day absent**. Students failing to bring an excuse by the fifth day after the absence will be recorded as unexcused.

SINGLE-DAY ABSENCE: If a student knows he/she must be absent a particular day, he/she should get assignments from the teachers ahead of time. The work should then be turned in to the teachers on the next day the student returns to school. **Parents and students may also check the teacher's website for homework assignments.**

PRIOR APPROVAL ABSENCES: Prior Approval is needed for absences other than illness, placement tests, death in the family, extreme weather, or religious observation, and for absences expected to last for two (2) or more days;

1. Must be submitted in written form three (3) days prior to the absence to the main office.
2. Approval will be based on, but not limited to, current academic status and current attendance record.
3. Prior Approved absences will count as an excused absence.
4. **All school work must be completed and turned in to the teachers prior to the absence.**
5. Students who miss without Prior Approval will be marked unexcused.

Multiple-Day Absences/Makeup Work: Parents and students need to check the teacher's website for homework assignments. Parents without internet access need to call the school before **9:00 A.M.** if they wish to have homework collected for 2+ days missed. Parents may pick up the assignment sheet and books in the office **after 3:00 P.M.**

UNEXCUSED ABSENCES: The administration can determine if an absence is excused or unexcused. Once a student has used their 5 parent notes and/or accumulated 5 or more unexcused absences, a doctor's note can be required for all other absences. If a doctor's note is not provided, all absences will be unexcused.

ABSENCES DUE TO SUSPENSION ARE CONSIDERED UNEXCUSED AND MISSED WORK CANNOT BE MADE UP, WITH THE EXCEPTION OF MAJOR PROJECTS OR UNIT TEST.

CHECKING OUT: Students are not permitted to leave school grounds at any time during the school day unless the student has permission from the administration. Parents must check their child out of school through the main office. Any student missing 10 minutes of class time will be counted absent for class. A student absent more than 50% of the school day will be counted absent for the entire school day

PROCEDURES FOR NOTIFYING PARENTS: When a student accumulates five unexcused days, a letter will be

sent to the parent/guardian. Failure to comply with the attendance policy will result in a possible summons to appear before the Loudon County Truancy Board. Please remember that excessive absences could result in failure for the year. Students cannot keep up with instruction if they are not in attendance.

BACK PACKS:

Each grade level team will determine the appropriate use of student backpacks.

Buses:

Riding a bus to school is a privilege which may be revoked if safety rules are not observed. If a student misbehaves on the bus, he/she may be suspended from riding the bus for up to one calendar year. Only regularly scheduled bus students are to ride the school buses unless signed permission is given by the office.

Students wishing to ride a bus in which they are NOT assigned must bring a parent note to the school office the morning they wish to ride to request the bus change. The note must contain a parent telephone number where the parent can be reached. If going home with another student, the other parent must send a note, too.

The following rules apply to all Loudon County Buses. Drivers may have additional rules that apply to specific buses.

1. Obey the bus driver; follow the driver's first request.
2. The bus driver may assign seats.

3. Properly dispose of all trash.
4. According to federal guidelines, all students going through the lunch line must have at least three items on their tray.

CAR RIDERS:

For students being brought to school by their parents, **the school day starts at 8:05 A.M. Students will not be permitted in the building until 7:15 A.M.** First bus-load riders will be dismissed at 3:05 P.M. Car riders will be called beginning at 3:08.

Students who are consistently picked up after 4:00 will be asked to find alternate transportation.

A student going home with another student must bring a note to the MAIN OFFICE at the beginning of the school day. The host student must also bring a note from his/her parents stating they can bring this student home.

NO students are allowed to walk to the church. Parents who park at the church must walk to the NMS office entry to pick up their child. Parents who park in the front of the building or at Eaton must walk to the NMS sidewalk to pick up their child. No child will be allowed to walk in front of, in between, or behind the buses to their parent's car. Parents who pick-up in back of the school must walk to the school side of the road and walk your student to the car.

CELL PHONE POLICY:

Students shall not use or have in view personal cellular phones, while on school property during school hours (7:10 A.M.-3:05 P.M) unless authorized by administration or a teacher.

For a 1st violation of this policy, the principal or designee(s) will confiscate the device to be picked up at the end of the day by the student. The cell device will be reviewed by administration.

For a 2nd violation of this policy, the principal or designee(s) will confiscate the device to be picked up by parent(s)/guardian(s) on the next school day. The student shall receive one day of in-school suspension and the cell device will be reviewed by the administration.

For a 3rd violation of this policy, the principal or designee(s) will confiscate the device to be picked up by parent(s)/guardian(s) at the end of the student's in-school suspension. The student shall receive three days of in-school suspension. The cell device will be reviewed by the administration.

If any infraction of this policy is serious enough to violate any Loudon County Board of Education policies and procedures or laws governing the use of communication

devices, more serious consequences will result. (School Board Policy 6.312)

CHEATING: If it cannot be definitely proven that a student was cheating, the student will be given another opportunity to demonstrate mastery. If a second opportunity is given, parents will be notified and the assessment will be taken before or after school at the discretion of the teacher. If proven that a student was cheating, the student will receive a grade of zero ("0") for the assignment.

CHANGE OF ADDRESS/CUSTODY/PHONE NUMBER:

Parents are requested to inform the school office of change of address, telephone number, or guardianship. Custody issues must be shared with the main office immediately and a copy of the change given to the school for his/her permanent file.

CLINIC/NURSE: The school nurse is available to evaluate/treat injured or ill students during the school day. If a student becomes ill, he/she should notify the teacher. If the teacher agrees that the student is too ill to be in class, he/she will be sent to the clinic with a pass. All students leaving school for illness must contact parents through the clinic. **Students may not contact parents from the classroom if they are ill.** Clinic facilities & the services of the nurse should not be abused. The school clinic should not be used as a substitute for your private physician's care. If a student visits the clinic too frequently and/or for inappropriate reasons, the parent/guardian will be notified.

DRESS CODE:

The appearance of any student is primarily the responsibility of that individual and his/her parents. Apparel or appearance that tends to draw attention to an individual and take away from a learning situation must be avoided. In matters of opinion as to whether a garment is appropriate or not, **the judgment of the administration will prevail.**

1. Shoes must be worn at all times.
2. Shirts, blouses, and dresses must cover the top of the shoulder. Tank tops, spaghetti straps, and muscle shirts (sleeveless shirts for boys) will **not** be allowed at any time. Cut-off or crop tops that show or expose the midriff are **not** allowed. Clothing that reveals **cleavage** or **undergarments** is not allowed. Tops must not expose the body when the arms fully extended over the head. **Skirts, shorts, and dresses must be worn at middle finger length with the arm fully extended at the side. If skirts, shorts, or dresses do not meet this length, student will be asked to change clothes.**

Students who disobey the dress code policy will have one of the following choices to make for each violation:

1. Call home for a change of clothes.
2. Change into clothes that we have here.
3. Take a day of in-school suspension.

Anytime a student misses 10 minutes or more from class for a dress code violation, the student will receive an unexcused absence. Repeat violators can be suspended or expelled.

Financial obligations incurred for the above mentioned reasons are not considered as school fees. Costs associated with extracurricular activities that occur outside the regular school day including sports, optional trips, clubs or social events are also not considered to be school fees.

School fees shall be defined as fees incurred for any activity that occurs during the regular instructional school day, including field trips if the majority of the field trip occurs during the regular school day or for any activities and/or supplies required to participate in courses required for credit or grade.

Applications for fee waiver request must be made on the form provided by the school system. Applications will not carry over from year to year and must be completed annually. The school district will treat the application and application process as any other student record as student confidentiality and access provisions will be followed. Students requesting a fee waiver shall not be identified to other persons except to those school employees who need to know. Application may be made at any time. However, waivers will not be approved retroactively for fees previously paid or specialized items, or attire purchased by students and only those fees and items eligible for waivers as required by state statute shall be waived. If for any reason a fee waiver request is denied, parents will have the right to schedule a meeting with appropriate school personnel to discuss the validity of the denial.

FIELD TRIP OR INCENTIVE DAY POLICY: Field trips and incentive days are a privilege for students. Students who violate school rules may be subject to denial of participation in any reward activity. Parents must provide appropriate documentation before a student is allowed to go on a field trip. Criteria for participating in these activities will be determined by the teacher.

HALL PASS: All students are required to have a hall pass in their possession while in the halls during class time.

LIBRARY: The Media Center's mission is to support and be consistent with the educational goals of the district and state. It is the goal of the Media Center staff to instill a love for learning in all students and ensure equitable access to information. The Media Center works in partnership with classroom teachers and administrators to develop inquiry-driven curricular units that effectively teach content and research skills to students of all learning styles. The Media Center is available to faculty, students, and community members Monday through Friday between 7:30 a.m. and 3:30 p.m.

Students may check out two (2) items for a two-week time period. If students lose or damage a book, they are expected to pay the cost to replace the item: \$10 for paperback and \$20 for hardback books. Students must buy replacement copies of lost or damaged library books or textbooks.

MEDICINE POLICY: Due to current review by the school board there will be no stock over-the-counter medications kept in the clinic. All over-the-counter medications have to be sent by the parent in an unopened container with a consent form or a note from

the parent. We encourage parents to send in any over-the-counter medications the student may need throughout the year. If the child does not have any of these medications stored in the clinic, the parent will be called and expected to bring medication at that time.

- All medications must be turned into the clinic as soon as the student arrives at school.
- If taking prescription medication, it must be a signed doctor's order and parent authorization before it can be brought to school. All prescription medications must be brought to the clinic and picked-up by a parent.
- Students with allergies should keep medication in the clinic. Benadryl or Epi-pens must be kept at school along with proper documentation. These supplies are not stocked in the clinic.
- Immunizations must be up-to-date with current state guidelines by the beginning of 7th grade. Students can be sent home unexcused until shots are up-to-date. If a student is unable to receive immunizations, an exemption form must be completed and placed in the student's record.
- Violation of the medicine policy may result in the same action as stated under the substance abuse policy.

NON-EDUCATIONAL MATERIALS AND NUISANCE ITEMS:

When in the opinion of the administration, any personal item, whether electronic or not, that is deemed to be disruptive to the educational environment, and/or interferes with learning, such items will be confiscated. Any such item must be retrieved by the parent. A second, or more offenses, will escalate student consequences.

OFF LIMITS AREAS FOR STUDENTS: Students are not allowed in teacher work areas or teacher dining halls or the Forbidden Forest.

PARENTS AND VISITORS:

Students are not allowed to bring "guests" to school without the expressed consent of the principal. Parents and visitors are welcome but must follow certain procedures:

- All visitors must sign in with the school secretary and receive a visitor's pass before going **anywhere** in the building.
- Visitors must wear their pass while on the school grounds and sign-out upon departure. Parents are encouraged to visit school but should arrange for conferences with teachers before or after school hours or during the teacher's planning time. All scheduling of conferences is made through the classroom teacher by calling 986-9944 or through e-mail.
- Parents may eat lunch with their child.

- No one 18 and under will be permitted to eat with a student unless accompanied by a parent.

PHYSICAL EDUCATION: According to the Tennessee State Board of Education rules and regulations, no student may be excused from participation in physical education except by request of a physician. If you are unable to participate in a physical education program, take home a Physical Education Exemption Certificate for your doctor to complete. This form may be obtained from your physical education teacher.

PLANNERS: Planners are needed by all students. Teachers may reference student planner daily. NMS Planners can be purchased from the main office.

VOLUNTEERS:
North Middle welcomes parent volunteers to assist teachers and staff. Anyone interested should check with the office about arrangements.

LOUDON COUNTY SCHOOLS NONDISCRIMINATION POLICY

It is the policy of the Loudon County School System to maintain learning and working environment that is free from discrimination. The school system prohibits any form of discrimination on the basis of race, creed, national origin, sex, age, marital status, or disability in the education programs, activities, or employment practices in accordance with the requirements of Titles VI and VII of the 1964 Civil Rights Act, Title IX of the 1972 Educational Amendments, Section 504 of the 1973 Federal Rehabilitation Act, and of the 1975 Age Discrimination and Employment Act.

A complaint resolution form is available to any parent or guardian who feels that his/her son or daughter may have been unfairly treated in any school-related matter. This form is available upon request at any Loudon County school or at the Board of Education offices in Loudon. It is hoped that any issue can be resolved at the school level. However, if this proves impossible, then a chain of command as listed on the back of this form will be followed until the issue has been resolved.

A form for reporting incidents of sexual harassment is also available at any Loudon County school or at the Board of Education offices. A complete copy of the policy on sexual harassment may be found in the Loudon County Board of Education Policy Manual of which two copies are available in each school, as well as from any teacher who also has a copy in his/her sections of the Board Policy Manual (Section 6.303). Any incidents of sexual harassment on school property or at any school-related activity must be reported to Maria Warren at the Loudon County Board of Education, 100 River Road, Loudon, TN 37774. Mrs. Warren's telephone number is 458-5411, ext. 1013.

The administration at North Middle School reserves the right to amend, expand, or delete any section in the Parent/Student Handbook, without prior notification.

The mission of the Juvenile Complaint Program is to provide a structured discipline/rehabilitation program for students that violate Loudon County School's policies, rules, and/or regulations. The Juvenile Judge, Juvenile Officers, School Resource Officers, and local school administrators will enforce this program.

In the past, the punishment for fighting, destroying school property, etc. was suspension from school. The suspensions, in some cases, were just what the student wanted and really did not help prevent the student from getting into trouble. Disciplinary violations of:

Threatening Statements
Fighting/Violent Acts
Destruction of School Property

will result in the issuance of a juvenile complaint. The principal, assistant principal, or the School Resource Officer may issue complaints. Once a complaint is issued, the student, his/her parents, and a Juvenile Center representative will meet and discuss the disciplinary/rehabilitation measures at an informal adjustment hearing. Failure to attend by both student and parent will result in a juvenile petition.

First offenses will be handled at the school level. If the problem occurs again, the student will be issued a complaint and will be required to appear before the Juvenile Center Board. The Board will recommend one or more of the following penalties; a fine, plus community service hours performed after school or on Saturday, or a juvenile petition may be issued requiring the student to appear in Juvenile Court. Other outcomes depending on the severity of the case include, but are not limited to, an Informal Adjustment being offered or the case may become a formal court process. The outcomes vary with every situation and the ultimate decision lies with the Juvenile Department Director, not the school system.

Please be aware that state law, TCA 39-17-1505, prohibits the possession of tobacco products on school grounds or at any school activity. Any student who violates this section shall be issued a juvenile complaint on the first offense.

We hope the complaint process will lead students to the recognition that improper acts are not acceptable behavior. The Juvenile Complaint Board will meet each Monday morning in the Juvenile Center, 12655 E. Lee Highway, across the street from the Justice Center in Loudon at 9:30 a.m.

If you have any questions about this program, please feel free to call your school principal or the Loudon County Schools Central Office at 458-5411, Ext. 1011.

****We have read and understand the Juvenile Complaint Program.****
