Lincoln Junior High students visit the state capitol in Austin

Seven Lincoln Junior High students visited the state capitol in Austin on Monday, March 18th.

Two of the LJH students, 8th graders Bobbie McBride and Jace Dogins, were chosen to participate in the Honorary Page Program, where they were allowed to shadow a legislative Page at the state capitol building. The other students were treated to a tour of the capitol building by State Representative Ernest Bailes.

"We got the insider's tour and were able to walk out on the senate floor," said LJH Counselor Aimie Patrick. "We learned more about Texas history and

how the Capitol Building has changed over the years."

Students met other (state) representatives and staff members while on tour, and were able to sit in on a committee meeting that was in session. "It was a great experience for our students," said Patrick.

The Honorary Page Program gives students aged 8 to 18 the opportunity to shadow a Texas Senate or Representative's Page at the capitol building.
