A.J. Wingard & M. Keilholz

HS Ag Classroom 004

816-540-3111 ext. 5304 or 5305

After filing 2017 taxes did you realize that you needed a better record keeping system? Do you need to make a Balance Sheet for your farm or bank? We have the most recognized name in agricultural software that will help you evaluate a farm's financial position and make informed business decisions. This service is free by joining the Pleasant Hill FBMA Program. (Farm Business Management Analysis). You will be able to build balance sheets, categorize expenses to Schedule F, do enterprise analysis and track income. Used by producers and lenders as their tool of choice for farm planning and credit analysis. Year-round support in record keeping and tax planning.
