### **From Mrs. Hermes, the Principal...**

Spring is here, which means warmer weather and the final few months of school for this year. We still have a bunch of jackets in our lost and found bin by the health aide's office. Items not claimed will be donated this month, so make sure to stop by. Report cards will be going home on March 20<sup>th</sup>. It is important to keep communicating with your child's teacher to ensure that your child is on track for progressing to the next grade level. Teachers will be working on important standards and we need your support ensuring that students don't get "spring fever" – losing focus and having behavior issues in class. Our third quarter awards assembly is on March 26<sup>th</sup> and we want to finish the year strong! Have a safe spring break and we look forward to working with you the final few months of school.
