1. CLARIFICATION ABOUT OUR CLUB CONSULTANTS: Hip-hop dance is not being offered, rather we will have a course on Fashion Design! In the fashion design course students will learn basic design principles, including proportion and color, garment and clothing details. Students work on developing and editing their own collections while looking at current fashion trends. The other course is still World Percussion which will explore percussive music from around the world! Learn songs and rhythms using the body and different percussion instruments. These outside professional consultants are coming in on Tuesdays and Thursdays after school to teach a 16 week course. Maximum student enrollment is limited to 25 students. 2 ½ elective credits are available for attending all sessions. See Ms. Lyell in the library to sign up and take advantage of this amazing opportunity! First classes begin NEXT TUESDAY!! CLUBS MAY BE CANCELED IF NO ONE SIGNS UP FOR THEM!!
