

2019-2020 ASP Behavior Plan

Dear Parents,

As we enter this year in elementary school, we want to ensure that all students who are enrolled can enjoy the after-school program at Euharlee Elementary. We all know students are excited and eager to be good role models for the school and look forward to the memories and accomplishments to come.

In order to continue maintaining a safe, environment, the after-school team will have a behavior plan to promote responsible, caring, and respectful students.

Each student will be awarded 20 points per quarter. Points will be deducted at the discretion of the after-school teacher when inappropriate behaviors occur. These behaviors can include (but are not limited to) inappropriate language, disrespectful behavior, refusal to complete homework, hallway behavior, fighting (verbally or physically), constant talking during quiet times, failure to follow behavior expectations, or inappropriate contact with others.

A written notice will be sent home if your child reaches 15 points, 10 points, and 5 points. In addition, a final notice will be sent if your child loses all points. If your child loses all his/her points in a quarter, they will be removed from the after-school program until the new quarter begins. If your child loses all points for 2 quarters, he/she will be permanently removed from the after-school program at EHES.

If you should have any further questions or concerns, please feel free to contact us.

Thank you for your support and cooperation to making this year a success.

Sincerely,

Tina Tanzola

After-School Director
