We will schedule an appointment for you to sit down with us to view and order your senior portraits
Summer appointments are welcomed from May 20th thru July 15th 2018.

Here are some tips about your portrait session

- A) Darker clothes usually photograph much better.
- B) Clothes with sleeves look better than sleeveless.
- C) Sweaters always photograph well. Avoid fabrics that have busy patterns.
- D) Bring your pet, hobby items, car, truck, friends or family.
- E) Do not get a new haircut the day before your sitting. You may not like it.
- F) Be careful not to get too much sun. Don't get sunburned! Gradual sun is fine.
- G) Glass glare can occur when glasses are worn. It can be removed for a fee.
- H) Boys definitely need to shave the morning of their sitting.

Bring your sitting fee with you on the day you are photographed.
