### Fire Safety

October 7-12 was fire prevention week! Students learned about fire safety in their classrooms throughout the week. Thank you to the Alden Fire Department for inviting students in preschool, kindergarten, first, and second grades to the fire station on Friday, October 12. The students had a great time! We encourage all families to discuss fire safety at home and to make a home fire escape plan.

#### IMPORTANT NOTICE about COSTUMES:

The Alden-Conger Costume Parade is a highlight for many students and families each year. We want this parade to continue to be a fun and enjoyable experience for everyone. **Kindergarten – 5<sup>th</sup> grade students wanting to participate in the parade need to have costumes with a POSITIVE school appropriate theme.** Costumes/Face Painting should NOT contain blood or focus on violence, horror, or other morbid themes. Also, please take time to research your child's costume if they are dressing up as a character. Characters from movies, television, video games, etc. who are associated with violence will not be allowed in school. Remember, we want this to be a positive (not scary) event for everyone. Accessories such as swords, lightsabers, pitchforks, knives, claws, or any type of look-alike weapons will not be allowed. If a student's costume does not follow these guidelines, the student will not be able to wear the costume during the afternoon or participate in the parade. Thank you for helping us to promote a **POSITIVE** and **FUN** costume parade here at Alden-Conger!
