Parent(s)/Guardian(s)/Students: Your signatures below verify that you have read and understand the information given on this page. Please read carefully and remember to keep the top portion of this paper for your records. Class dates, times, and procedures are given above and below. Please make sure the information is legible. Student forms that are not readable will be destroyed. **No late forms will be accepted. The oldest 50 students present on the first day of class will be enrolled, provided they have turned in their application on time.** This means if a student is #56 on the posted list, it may be worth a chance showing up on the first day to see if a few above them on the list do not show up. No more than 50 will be guaranteed accepted into the class unless the last person shares a birthdate with others. Class lists will be posted outside the Main Office at EDHS, Student Services, and on the EDHS web site.

North Carolina state law requires that all students attending Driver Education classes attend 30 hours of classroom and 6 hours of behind the wheel training (students also observe 6 hours in the car). Students are expected to attend all scheduled classes as make-up will be limited to four hours total. Students are expected to follow all class rules set by the instructor, as well as all school rules that apply to the facility/school. Students that are late to class will be removed from the class on their fourth tardy. Students may miss no more than 4 hours of class time, which must be made up after the course has ended. **Tardiness and absences are not excusable like school tardiness or absences (4 tardies = removal from class);** this is a NC DMV course, so there is no need to bring notes from parents after an absence or tardy. **Students absent from the first class will not be allowed to take this class. Please do not ask for exceptions to the attendance policy. We cannot adjust to all schedules.**
