

Saint Anne Weekly Bulletin

Week of September 10, 2018

Dear Parents,

It is so important for parents to partner with us as we work to provide an education that will carry your child/children through their lives. Education is critical for our young people so that they can be strong Catholics, moral citizens in our world, and able to provide for themselves and others. We want our students to be **'life-long learners'**.

Thank you to those who came as a family to our **Sunday Family Mass**. You are an inspiration to your children and this is one way to pass on our faith. Children never forget the memories of praying together as a family.

We were able to apply for a \$25,000 grant for an outdoor education experience for our 6th, 7th, and 8th graders. This grant will be used for the Pali Outdoor Experience which is a camp setting (cabins) with several outdoor opportunities such as hiking, studying water from streams, and many other courses. Three teachers: Ms. Botto, Ms. Filipek, and Mr. Hodge will be accompanying our students. Parents must attend one of the two **PARENT INFORMATION NIGHTS**, either on Thursday, September 13th or the Monday, September 17th at 7:00 pm. Electronic forms must be signed on either of those nights in order for your child to attend. The cost of \$300 per student has been covered by the grant. Students will be responsible for the bus cost.

The **Mater Dei Band Program** is beginning this week. Students received an information pact and parents must sign the last page in order for your child to receive an instrument for the year. Please read the information carefully as each student is responsible for the care of the instrument as well as their music materials which should be kept in a Band Binder.

For any parent/grandparent/guardian who wants to help at school, there will be a **'Fingerprinting Event'** at Saint Anne School on September 18, from 3:00 - 7:00 pm. You must have an appointment through the office.

Have a wonderful week!
God bless, Sr. Teresa
