Dear Los Coyotes Families,

It has been another amazing year at Los Coyotes School! When I was first appointed principal, I was very enthusiastic with many ideas and dreams for this school. I am happy to say that we have seen many of them become reality. The last eight years have truly been incredible.

Our goal has always been to create the absolute best learning environment possible; a place where students could reach their highest potential, both academically and socially. I've always strived to lead by example, and to be positive and enthusiastic about the work we were doing. Creating strong relationships with students and their families was a critical component. I thank you so much for being an incredible partner in that endeavor.

As an educator, I believe strongly in life-long learning. This can be exemplified by an openness to take on new challenges. This week, an opportunity presented itself for me to become the principal of Miller Elementary School. While I will greatly miss being the principal of Los Coyotes, I am excited to take on the leadership role of a new school, knowing that this change will provide me with professional growth. I am not leaving the District, nor even the City of La Palma, and will enjoy collaborating with the new Los Coyotes Principal.

Our students and families are incredible, and I have truly loved working with everyone. Los Coyotes will always hold a special place in my heart. It has been an honor being your principal during the last eight years! Thank you for your unflagging support, and providing me with wonderful memories. I cannot express how much I appreciate everyone. Thank you, again.

With Warmest Regards,

Robyn Yarbrough  
Principal, Los Coyotes School
