Learner Profile Focus

Open-minded

I understand my own culture and personal history as well as the values and traditions of others. I am open to examining many points of view and I am eager to grow from what I learn.

Attendance

Our school wide goal is 98% attendance for each month. Along with SJVA recognition, the first-grade team will honor students meeting the attendance goal with incentive parties every trimester. Make sure to have your child come to school everyday or complete independent study.

You can find the independent study contract at the school office or online through our school website. Contracts must be signed by the end of the missed day.

Stay Connected

While Class Dojo is the most effective way to communicate with us, please remember that our availability is limited during school hours. If your message is sensitive, contact the front office to guarantee your information is delivered.
