**A la Carte Line (Grades 6-12): Cash Only** (Most items are \$.75 to \$1.25)

### **Things to Remember in order to keep from having a negative balance:**

The cut off for not receiving a meal will be negative \$7.00 for grades 6-12 and negative \$10.00 for grades K-5.

If you do not wish to have your child(ren) eating extra breakfasts, lunches, or extra entrees, loan a lunch to a friend, or borrow from a friend, you may contact the nutrition supervisor and let her know so that she can place that restriction on your account, Charlene McCrory at 989-5377.

Because of student lunch accounts, when depositing money, the total amount will be divided equally among your children unless otherwise specified when the payment is made. You can use one of the following methods to deposit money to your child's account:

- Send it with your student
- Mail it to the school (Attention: Nutrition Dept.)
- Drop it off in the Central Office
- Pay online with RevTrak

When depositing money, note the following:

- Write your child's name in the memo part of your check to insure proper credit.
- Note how the money is to be distributed if you have more than one child unless it is to be distributed equally.
- For accounts with a negative balance, money needs to be turned in by 9:30 A.M. in order for students to eat that day.

The following chart should provide an idea of the amount needed in your account to feed lunch to the number of students in your household:

<u>No. of Students In Household</u>	<u>\$ Amount for 1 Week</u>	<u>\$ Amount for 1 Month</u>
1	\$13.25	\$ 53.00
2	26.50	106.00
3	39.75	159.00
4	53.00	212.00
5	66.25	265.00

Those of you having children who drink the classroom milk will need to add an additional \$2.00 per week per student to your account to cover that cost. Please note: Free/Reduced Lunches do not cover the cost of classroom milk. K-2 classroom milk is deducted from the lunch account weekly for the prior week.

### **Breakfast Hours:**
