

LOOMIS GRAMMAR NEWS

WEEK OF AUGUST 19TH

The first 2 days of school were amazing and the energy flowing throughout the school campus was contagious. We kicked off the first day with an assembly and a fun "Rap" thanks to Mrs. Nettnay. We are looking forward to a great year and hope to see everyone at "Back to School Night" August 22nd. We love parent involvement and appreciate any time you can give, so be on the lookout for ways to get involved.

Drop-off and Pick-up Safety Plan

Student safety is a top priority for the Loomis Grammar community. For the safety of our students, please be sure to follow the flow of traffic during pick-up and drop-off times. Yellow curbs are for loading and unloading only. When dropping off or picking up your child in the loading zones, please do not leave your vehicle unattended. There are adequate parking stalls available should you need to leave your vehicle. For safety reasons, please do not pick-up/drop-off in the driving or fire lane.

If you choose to park and walk your student(s) onto campus, we request that once the bell rings all visitors either immediately leave campus or sign in at the office if they are planning to stay and volunteer. This will ensure all visitors on campus have followed our recommended procedures.

Drop-off

Yard duty supervision begins at 8:10am. Students may drop off their backpacks in front of their classrooms and then go directly to the supervised playground. Students are not permitted in classrooms at any time unless a teacher is present. Please do not have your children arrive prior to 8:10. All students who arrive on campus prior to 8:10 am must report to the Cafeteria and remain there until the 8:10 am bell rings.

BE KIND - BE SAFE - DO YOUR JOB

Pick-up

For the safety of all our students, children may not be picked up from the classrooms. We are requesting that parents/visitors at the end of the day please wait at the front of the school and not enter campus or wait by classrooms.

All students are expected to walk to the front of the school, or to the bus zone, to look for their rides after the last bell. Parents may park their cars and walk over to the pick-up area to get their child(ren), or drive through the loading/unloading zone and have their child(ren) meet them there.

Staff supervision is provided for 15 minutes after school. Students cannot wait on the playground or elsewhere on campus after school. Please make arrangements to have your child(ren) picked up promptly after school.

Minimum Day Schedule- Dismissal

Please be sure to prepare for a new dismissal time on minimum days. On all minimum days, **students will be dismissed at 11:55.** Please be sure to have your child picked up no later than 12:10pm.
