

## *Inspire*

Public Service Academy's goal is to develop graduates with the integrity, character, and awareness of global and national issues so they may inspire in their communities through their words, actions, and civic responsibility.

## *Lead*

Our students are prepared to lead in their professions through...

- courses designed around career preparation and taught by legal professionals
- business etiquette training
- professional mentoring, job shadowing and internships
- networking opportunities

## *Serve*

Students connect to their community and develop lifelong civic responsibility while completing required community service hours.

## Our Program

Public Service Academy is a California Partnership Academy program designed to prepare students for success in both their studies and careers. Students complete ten academy classes emphasizing law, law enforcement, business skills and community engagement.
