

Latest News at Tuffree Middle School	Calendar
--------------------------------------	----------

Final Week of State Testing: All Tuffree students will be testing this week beginning **Monday, May 13th through Thursday, May 16th from 8:50-12:30**. Please [read this letter](#) with important information. ([Spanish version here](#)). Note: We will not be able to disrupt classes while students are testing. [Here's the bell schedule](#) so you can plan accordingly. The yellow highlighted testing blocks are times that cannot be interrupted. Please make all appointments outside these testing blocks. Thanks for your help.

Earbuds Please! We are asking students to bring in their earbuds for the Language section of the State Test. It is a good idea to have your child put the earbuds in their backpacks along with a book to read. Most student finish early and will need to have something like a book to quietly read.

8th Grade Summer Sports Info: Students interested in participating in high school sports must have a physical exam prior to the beginning of the summer camps. Physicals will be offered for \$30 on **May 22nd from 4:00-7:00pm at the ELDO Gym**. See [attached flyer](#) for more info.

Color Guard/Winter Guard Fundraiser: We invited families to come eat at Del Taco on **Monday, May 13th from 11:00am - 8:00pm** at 1941 N. Placentia Ave.(at YL Blvd). Simply drop your receipt in the box either in the walk in or drive through counters. The Tuffree Guard greatly appreciates your support.

7th Grade Assembly: On Monday, 5/13, while our 8th grade students are testing, we will have an assembly for all our 7th graders. The assembly will be conducted by Mike Darnold, who is an expert in teen drug abuse and teen issues. He is a counselor in the Dana Point School District. He has agreed to come talk to our Tuffree students. His talk will cover topics such as the dangers of drugs, vaping, and marijuana use. [Here is a flyer](#) of resources for parents.
