

Tuffree Instrumental Music Program

Colorguard

We are happy that your student has chosen to participate in the Tuffree Colorguard. We want to welcome your student and family to the Tuffree Instrumental Music Program. The following information outlines details of event fees/fundraisers for program for the 2018-2019 music season.

Emails – Emails are used to inform students and family members of various important dates and information throughout the year. Below, please provide a parent phone number and email address where this information will best be received.

Participation Donation: \$100

This donation represents what our music program actually costs for each student’s activity participation, beyond the instructional funds provided by the Placentia Yorba Linda Unified School District. A few examples of these items include: bussing, equipment transportation, walk on coaches, food, uniform upkeep, insurance, as well as much more. This donation from each student is necessary for the continuation of this program at its current level. Without each “fair-share” the program is at risk of being cut back substantially or eliminated due to lack of funds to function. While all students are permitted to participate, donation contributions are vital to maintaining a program of excellence and they are greatly appreciated. Please make check payable to: Tuffree Instrumental Music Boosters (TIMB). In the event of any financial hardship, please contact the booster president at tuffreeinstrumental@gmail.com.

** Colorguard fees for uniforms and equipment are collected by the Colorguard Leaders, and managed through the **T.I.M.B.** throughout the year.

This donation needs to be Paid in Full at the Time of Registration OR To the Colorguard Instructors during the summer practices

Bring this Form and Payment with you to the *Instrumental Music Table at Registration* or bring this form and payment to the colorguard instructor during the summer.
