Ms. Renteria – jrenteria@pcoe.k12.ca.us – (530) 832-0211 ext 4109

Dear Sixth Grade Families,

Welcome Back to CRC! We are very excited to have the opportunity to teach your children this year. There are many exciting learning experiences for 6th graders to be a part of and we are looking forward to each of them. We are ready for a fun year together. By now you are familiar with so many things at CRC - however we do encourage you to continue reading these Weekly Newsletters to learn all about what's happening in our classes. The newsletter will always include what we are learning for the week, dates to remember, upcoming events, and any news we want communicated home. Your child will have homework nightly. It is their responsibility to let you know what they have in addition to this packet. On Mondays you will also receive graded work from the previous week. The graded work will give you an idea of where your child is at with their classwork. After next week you can also always check your child's grade on Aeries. Aeries is a great tool and we encourage all of you to use it.

Our Week At A Glance:

This week in Language Arts we will be asking, "How can the choices you make affect relationships with other people?" We will read shorts stories and write about this question. Answering this question will lead us to Narrative Writing. In math we will begin working on Module 1. In this module students are introduced to the concept of ratio and rate, Students will develop fluidity in using multiple forms of ratio language and ratio notation.

Announcements:

- Our first field trip will be September 11th-14th Mark your calendar! All paperwork regarding this has gone home today.
- Back to School Night is Thursday September 6th at 6:00. We look forward to meeting you all.
- We will begin walking field trips soon – your child will need comfortable walking shoes.

Spelling Words:

batch, reject, vanish, sloppy, rhythm, blunder, strict, meadow, recover, cleanse, text, mystery,
expand, bluff, promptly, initials, statue, polish, somehow, dreadful

Students should study their spelling words every night. Ways to practice: write them 5 times each, write them on flash cards and highlight the spelling pattern then study them, write sentences using the words, create an online word search then find the words, write each word in pencil, pen, crayon, and marker, or write the words in ABC order.
