### **REGISTRATION REQUIREMENTS**

1. Children must be 5 years of age by October 1, 2019.
2. Parents/Guardians must bring the birth certificate for the child being registered and 2 proofs of residence as indicated according to Residency Rules to be distributed with the registration package.
3. Each child will be registered under his/her full legal name as indicated on birth certificate.
4. Proof of the following must be submitted:
  - A. Immunizations against Measles, Mumps, Rubella (MMR)
  - B. D.P.T. (Diphtheria, Pertussis, Tetanus)
  - C. Polio immunization (IPV)
  - D. The date and results of a Mantoux Tuberculosis Test
  - E. Hepatitis B (HBV)
  - F. HAEMOPHILIS B (HIB)
  - G. The result of a physical examination performed by the family physician on a medical form supplied by the school. Please see your school's office for the appropriate form.
  - H. Proof of Varicella Vaccine or Chickenpox disease.
  - I. Flu Vaccine

**\*\*\*\*\***Many of the above vaccines are given in a series of injections. Your school nurse will review your child's immunization history and notify you if more vaccines are required or if any are missing. Any deficiencies must be completed with proof in writing to the school nurse before the first day of school in order for your child to begin Kindergarten.

Kindergarten children will not be considered registered until all of the above requirements are fulfilled and documentation presented.

By Order of the Board of Education of the Township of North Bergen, N.J.
