October 10, 2019

Dear Parents:

The elementary Halloween activities will be conducted on Thursday, October 31. We have made logistical changes to the Halloween activities to enhance the safety of students, staff and visitors.

Each homeroom has two designated "homeroom parents". These two designated helpers for each homeroom will be the only parents assisting our teachers with students changing into costumes and with post parade parties inside the building. With the designated homeroom parents and our staff, we will have adequate assistance to help prepare students for the parade and the parties.

The annual parade attended by many parents will be at the track complex starting at 1:15pm. Upon arriving on campus, we will have security and staff directing attendees to available parking and to the designated parade viewing areas. We respectfully ask parents attending the parade not to arrive prior to 12:30pm.

In the event of inclement weather, the parade will be cancelled and notification will be made through our website, Facebook and our mass communication system.

Thank you in advance for your cooperation with these new procedures.

Respectfully,

Michael A. Stofa
Principal
