

Living Desert – Starry Safari 3rd Grade Overnight Field Trip November Update

Date: Thursday, April 9 – Friday, April 10, 2020

Cost: Students \$160, Adults \$160

At the Living Desert, 3rd grade students will experience an overnight adventure filled with animal encounters, sleeping in cowboy-styled tents, giraffe & lorikeet feeding, camel rides, stories & s'mores around the campfire and the chance to visit the entire Living Desert Park in the evening when the animals are awake and active.

THIS YEAR WE'RE EXCITED TO SAY THAT WE'RE GOING ON THE STARRY SAFARI IN APRIL INSTEAD OF FEBRUARY AND THAT FOR THE FIRST TIME BOTH CLASSES WILL BE ABLE TO GO TOGETHER!

Overnight field trips are optional and all costs are paid for by the parents. At this grade, one parent per student may attend. All adult participants must complete the TVCS volunteer process (info and forms located under the PARENTS tab on the school website) including a parent induction meeting and a Live Scan FBI & DOJ report on file with TVCS Administration by February 3rd. If you don't already have a Live Scan on file with us, WE RECOMMEND HAVING THE LIVE SCAN DONE ASAP! We have no control over how soon the results are sent to us.

All participants must plan on leaving for the venue from TVCS with our group and returning to TVCS together. NO meeting at the venue or leaving early is permitted.
