Susquehannock High School	233490

June 8, 2019 – There are no testing centers in York County

July 13, 2019 - There are no testing centers in York County

Important Considerations

- The SAT is a standardized test widely used for college admissions. The SAT includes two sections of three tests: Reading, Math, and Writing & Language, plus an optional essay. Some schools may require the essay, so be sure to research before you register to take the SAT
- The ACT is an achievement test that measures what the student has already learned. It tests math, critical reading, science, language arts and writing (the writing test is optional, but recommended).
- **When registering for the ACT and SAT it is to your advantage to select up to 4 schools to receive your scores.** This service is free when you register for the test, but you will be charged a fee (ACT-\$12, SAT- \$11.25) if you want your scores sent to a college after the test. *(SAT allows 9 days following the test to select four schools without a fee). Many students take these tests more than once, so it is generally to your advantage to send scores. If you subsequently choose to not apply to these schools, your scores will be discarded. **SAT and ACT scores do not appear on Red Lion Area Senior High School transcripts.**
- **Students who receive free and reduced lunch should see their counselor for a fee waiver form for the registration fee (SAT and ACT tests).**
