

German Summer Work

Incoming Freshmen: No summer assignment

Students going into 4 Honors (choose 1):

- Install a citation plugin (Apogee, Zotero, RefWorks, etc.) on your browsers at home or on your Chromebook and keep an annotated media log of German language sources with which you've engaged over the summer (**minimum 20 entries**, see list below for suggestions). See the Resources below for suggestions. Choose things that are interesting and fun.
- ALTERNATIVE: Write 3 journal entries of 250 words each detailing 3 days of your summer vacation. Journal entries should be written primarily in Perfekt.
- Students who approached me with other alternatives must have my approval and their parent's permission before beginning their work. Email me your plans ASAP, along with a note you're your parents indicating they approve of your choice.
