League schedules and playing dates are a league decision that requires vetting among the stakeholders. Coaches, athletic directors, and administration must have the opportunity to express their views. In some cases, availability of officials must be considered. When unable to agree on playing dates for any sport, a majority vote by the league athletic directors will determine the league decision. All schedules must have principal's approval from all league schools.

Football Timeline

Scrimmage	August 9 – August 18
