We have asked for multiples of glue, scissors and map pencils because students use up these items or lose them. Your child's extra supplies will NOT be put in a "community" area for all to use. Your child will have a specific area in the classroom to store his/her supplies and will be the only one to use them. Please label your child's supplies. Kleenex, index cards, Post-It notes, manila paper, and baggies are the exception.

****** While supplies are on sale, it is a good idea to buy extras to keep at home so that supplies can be replenished as needed throughout the year.***
