

## Fulmer Middle School Traffic Pattern

**\*\*\*Single File Traffic for Morning Drop Off and Afternoon Pick Up\*\*\***

1. Turn onto Walterboro Street.
2. Turn RIGHT onto Eagle Drive at the end of the football practice field and retention pond.
3. Proceed to the area with the covered awning. As you reach the awning, pull up to the staff member on duty to unload your student.
  - If your vehicle is parallel to the awning area, please have your student(s) unload, in order to make the drop off and pick up process efficient. It is our goal to unload and load a minimum of 5 vehicles at a time.
