March 2019

Principal's Message

March is a time where your children will start feeling the end of the year coming much faster than expected. As educators, we find ourselves eager to ensure we teach everything we need to build that strong foundation for your children as we ONLY have 3 months! Please support your children in these last 3 months of school by making sure they are completing their homework, going to sleep on time, and eating a nutritious breakfast, either here or at home. Soon, you may find your child needing to complete class projects at home. Ask them about their progress and how this project is supporting the greater learning in the classroom. We hope to display for you the culmination of all their hard work next month at our Open House. For now, I am hoping the worst of the flu season is gone and that you all have a restful spring break at the end of the month. Thank you all for supporting Dr. Seuss Week and hope your children shared with you that we were able to have our Ribbon Cutting Ceremony for the field, meaning your children will be able to use the new grass field sometime this week!

Warm Regards, Dr. Molina-Solis

Ms. Lily's Corner

This month, Ms. Lily is promoting Multicultural Awareness Month by providing lessons to classrooms to embrace our great diversity here at Park and in our city. Ms. Lily's Loving Solution classes also continue, so make sure to look at our calendar and attend one of her sessions!

Student of the Month

For the month of March, our teachers will be looking for students who are Good Friends. This is someone that gets along with others, is loyal, honest, present and trustworthy. A good friend is also a good listener, is able to demonstrate empathy for others, is non-judgmental and reliable. It is not always easy being a good friend, but remind your children it does take time to nurture a lasting friendship. In addition, good friendships provide strength, happiness and meaning in ways that social media cannot. Encourage your child to connect in person, rather than through social media, and be present with friends.
