Welcome to the American School of Yaoundé! We are an independent, not for profit, co-educational school serving students from over 32 countries. Founded in 1964, ASOY serves the local and expat community of Yaoundé, Cameroon. Located in the centre of Yaoundé, ASOY is an IB World School accredited by the Council of International Schools (CIS), Middle States Association of Colleges and Schools (MSA) and we offer the International Baccalaureate Diploma Program (IBDP) for students in grades 11 and 12. We are a candidate school for the Primary Years Program (PYP) and the Middle Years Program (MYP).

The American School of Yaoundé is an English medium school offering an American style educational program. We serve a Pre-K 3 through grade 12 student population of 205 students. We believe in a well-balanced education of academics, community service, arts and a full complement of after school offerings. We strive to integrate the IB Learner profile across the curriculum, so our students can think critically and become responsible and effective leaders. Our graduates have attended universities and colleges in the United States, Canada and Europe.

I welcome you to our campus. If you are new to Yaoundé, please stop in and learn about our school. I look forward to speaking with you.
